Love Life And Work 1906:

Michael A. Musmanno John S. Haller Jr., 2023-03-22 Aimed at scholars and general readers alike this book offers the first biography of Michael A. Musmanno a Pittsburgh native who found national and international fame in his storied roles as lawyer judge and author of sixteen books two of which became Hollywood movies Born to Italian immigrants Musmanno began working as a coal loader when he was a teenager and he later earned a law degree from Georgetown University Over the course of his colorful career Musmanno became best known for serving as appellate attorney in the Sacco Vanzetti trial presiding over the Einsatzgruppen trial at Nuremberg and issuing over 500 impassioned dissents as a justice on the Pennsylvania Supreme Court John Haller's lively biography highlights the historical and political significance of these achievements while also illuminating the range and influence of Musmanno's other professional accomplishments At the same time Haller's book also looks beneath this public persona It uncovers striking and sometimes troubling details about Musmanno's private life including his relationship with a young child who would eventually become his fiancée for a brief time In telling the story of Musmanno Haller transforms extensive archival research into an engaging narrative His book not only charts Musmanno's indelible political influence but also portrays a human figure riven with ambiguity complexity and contradiction Classified Catalogue of the Carnegie Library of Pittsburgh. 1907-1911 ,1914 **Classified Catalogue of the Carnegie Library of Pittsburgh. 1907-1911** Carnegie Library of Pittsburgh, 1914 **Classified Catalogue of the Carnegie Library of Pittsburgh** Pittsburgh, Pa.
