

“Love and War”

*He is love's soul soldier, a bit dreamy but leery,
holding ground and giving way,
a silent slaying of untold history
forcing fear to flee with bloody fist,
but nothing forced can be.
All at once he'll part the skies,
but the light from love lingered can cast shadows
embraced by a commitment
made before this life, that insists.*

*She, love's nurse, is fluid and luminescent
but goes black in the absence of light.
Resisting intended paths,
flowing over and through his cracks,
she erodes the jagged edges but heeds to his form,
a rain bath of her belief in him.
She grounds herself to support him; chest out chin up,
still and quiet with one palm to his heart,
healing what he thinks is unbroken,
he is repaired once more,
to war with a world he refuses to see.*

Love And War Poems:

Love and War Marvin X, 1995 Poetry Preface by Lorenzo Thomas One of the important but lesser known poets and playwrights who set the tone for the socially committed black arts movement of the 1960s Marvin X is highly respected as a poet performer and organizer His play Flowers for the Trahsmen also known as Take Care of Business was enormously popular and frequently performed by the network of black arts community theaters across the country from the late 1960s and into the mid 1970s His work should remain relevant long after slogans and polemics are forgotten 140pp Black Bird Press 1995 *Poems About Love, War and Just for Fun* Jack DiNola, 2011-12-01 Vietnam Gray lead and shiny yellow brass Pushing death From a stainless steel gun That's not made of flesh Its integral parts lubricated By oil and grease To withstand the heat and humidity But what is there to erase The red stain On white cloth that covers The pain On a moving part of anatomy Or the look on a human face **Love and War** Anthony Jason Sellars, 2012-08 Love War Poems of an American Soldier is a collection of poems written by the American poet Anthony J Sellars set in the time before during and after his service in the U S Armed Forces The collection encompasses over fourteen years of writing poetry His poetry centers on the topics of love life's struggle family the emotional effects of war and the human need to reconnect and pursue God The author writes from a patriotic heart that combines deep devotion a love for the nation and spiritual insight with the firsthand experiences of combat operations in Afghanistan and the emotional aftereffects of war on a soldier's psyche Lessons and expressions from the heart vividly illustrate the possibility of finding one's pathway to hope through marital hills and valleys by communicating what is often difficult to say A must read for people who are struggling in their marriages with the difficulties of a soldier returning home It will help them to reconnect and reignite the flame of marriage the living symbol of mankind's relationship with God This deeply personal collection exposes the devotions of a person's soul and the journey to find his way back into the heart of his beloved while also reconnecting to God and chasing one's own destiny **Poems of Love and War** Robert Hilliard, 2017-12-13 Robert Hilliard's collection of poetry carves a distinguished path for us to navigate in a world between the anguish and power of war and the beauty and innocence of love Hilliard's poems For Jo Ann Love Senses and Blind Love shows us of the enchantment and tenderness of affection His evocative use of language is visceral and unreeling in Black Blood written on the front lines of combat during WWII and Silence Poems of Love and War remind us that it is our deep everlasting connections to each other that command our hearts and minds RENUKA RAGHAVAN Out of the Blue _____ Robert Hilliard has lived a most interesting life and now at age 92 honors us with his first book of poems Poems of Love and War has its share of romance For where I once saw many things I now see only you but it is the poems he wrote as a soldier in WWII in Europe he was at the Battle of the Bulge and shortly thereafter that give the collection its backbone The representative poem Did I see Versailles shows us what war is really like from the infantry soldier's point of view There were no chateaus no sights to pick I'm sorry sir just Krauts to lick Hilliard is

giving us a history of a generation in these poems I ll bet that somewhere members of the Brooklyn Dodgers and the Romantic English poets he so loves are saluting him and agreeing that poetry pierces the darkness turns shadow into light

TIM SUERMONDT Election Night and the Five Satins _____ In Poems of Love and War we can be sure that Robert Hilliard does not hold back on either With poetic voice that ranges from deep love poems no parable or mundane speech for love s literate glow to the bare yet harsh poem of guns Will they kill us just for sport to the warnings of a country divided Weep for your country cry for your land Hilliard gives an outstanding view of well conceived masterfully written poetry as only a poet who has traveled the ages can Ripe with poetic devices Hilliard offers poems on love war aging and America with expressive variation This is a book I want in my collection ELIZABETH SZEWCZYK Fragments of Survival

Love & War Poems Kenneth Patchen,1968 Of Love and War Jacob Paul Patchen,2018-05-15 Of Love and War is divided into 4 parts Fighting Dying Remembering and Living Each part represents a small chapter to the overall story of the book Of Love and War is a mix of Free Verse Prose and Narrative poetry that gives specific focus to the combat stresses PTSD boredom and losses associated with author s deployment to Iraq in 2005 as an infantry Marine It also meshes this bold intense and sometimes unforgiving voice with that of a softer gentler and sometimes macho or alpha male tone about love and the failings of With great insight into the mind of a warrior and the deteriorating affects that war has on the mind and body Of Love and War is a book just as much about life as it is about the struggles of war Full of wit grit honesty and sacrifice Of Love and War brings a new fresh smack you right in the face voice of a common man meant to experience extraordinary things

K. Ramanujan,1985 Available for the first time in English this is the definitive account of the practice of sexual slavery the Japanese military perpetrated during World War II by the researcher principally responsible for exposing the Japanese government s responsibility for these atrocities The large scale imprisonment and rape of thousands of women who were euphemistically called comfort women by the Japanese military first

seized public attention in 1991 when three Korean women filed suit in a Toyko District Court stating that they had been forced into sexual servitude and demanding compensation Since then the comfort stations and their significance have been the subject of ongoing debate and intense activism in Japan much if it inspired by Yoshimi s investigations How large a role did the military and by extension the government play in setting up and administering these camps What type of compensation if any are the victimized women due These issues figure prominently in the current Japanese focus on public memory and arguments about the teaching and writing of history and are central to efforts to transform Japanese ways of remembering the war Yoshimi Yoshiaki provides a wealth of documentation and testimony to prove the existence of some 2 000 centers where as many as 200 000 Korean Filipina Taiwanese Indonesian Burmese Dutch Australian and some Japanese women were restrained for months and forced to engage in sexual activity with Japanese military personnel Many of the women were teenagers some as young as fourteen To date the Japanese government has neither admitted responsibility for creating the comfort station system nor given compensation directly to former comfort women This English edition updates the Japanese edition originally published in 1995 and includes introductions by both the author and the translator placing the story in context for American readers *Love from Dad* Michael Hawke,2014-11-08 Edition 2 These poems hopefully give some insight into how events in our lives shape our experiences and emotions or feelings They are mainly about that emotion called love and those experiences relating to war but also include poems about past events for which I have fond memories and which may resonate with you too They are for my family
