Love Is a Story Robert J. Sternberg, 1999-06-03 In this groundbreaking work Robert Sternberg opens the book of love and shows you how to discover your own story and how to read your relationships in a whole new light What draws us so strongly to some people and repels us from others What makes some relationships work so smoothly and others burst into flames Sternberg gives us new answers to these questions by showing that the kind of relationship we create depends on the kind of love stories we carry inside us Drawing on extensive research and fascinating examples of real couples Sternberg identifies 26 types of love story including the fantasy story the business story the collector story the horror story and many others each with its distinctive advantages and pitfalls and many of which are clashingly incompatible These are the largely unconscious preconceptions that guide our romantic choices and it is only by becoming aware of the kind of story we have about love that we gain the freedom to create more fulfilling and lasting relationships As long as we remain oblivious to the role our stories play we are likely to repeat the same mistakes again and again But the enlivening good news this book brings us is that though our stories drive us we can revise them and learn to choose partners whose stories are more compatible with our own Quizzes in each chapter help you to see which stories you identify with most strongly and which apply to your partner Are you a traveler a gardener a teacher or something else entirely Love is a Story shows you how to find out *Love Is The Wine* Muzaffer Ozak, 2013-10-17 Love is the Wine presents an intoxicating mix of essays to satisfy the spiritual thirst of those with long experience in Islam as well as those encountering Sufism and the meaning of spiritual love for the first time Themes including generosity faith self knowledge patience and love are developed with stories and teachings by Turkish Sufi master Sheikh Muzaffer Ozak A mesmerizing storyteller master teacher and prolific author in his native country he was ideally suited to bring the richness of the Sufi tradition to the West The chapters of this book skillfully edited and compiled by the psychologist and Sufi teacher Dr Robert Frager were derived from talks given during Sheikh Muzaffer's visits to New York and California over the last years of his life Sheikh Muzaffer Ozak understood Westerners as almost no Sufi master before him has His religious bookshop in Istanbul attracted hundreds of Western seekers visiting Turkey In his travels he initiated hundreds of Americans and Europeans into the Halveti Jerrahi Order interpreted their dreams and answered their questions about everything from theology and mysticism to marriage and earning a living These stories and teachings are memorable yet highly enigmatic and meant to be told and retold Like great spiritual parables the themes are universal and their applications ageless The astute reader will appreciate new levels of meaning in these profound teaching tales with each reading Love is the Wine is a treasury filled with priceless items of Sufi wisdom **Love Is Dark, Vol. 2** Ao Juumonji, 2025-03-11 TAKING LIVES AND STEALING HEARTS Sousei wants to get closer to his classmate Kuchina Hitsujimoto She isn't just any ordinary classmate though Kuchina is in the same line of shadowy work as Sousei and their powers miraculously complement each other Yet it's hard to make much headway when Kuchina inexplicably avoids him and

Sousei's more or less former girlfriend Asumi Shiramori notices the strange mood around the pair and decides to take action. Meanwhile, Sousei is focused on his job and trying to increase the number of lives he has. But not only does he keep getting drawn into battles to the death, it's starting to impact his school life. **Real Love Is "For Real"** Pam Heil, 2017-10-27 If you believe in love, you can make it happen. Through the use of stories and insights, you can discover practical ways to create a healthy dating relationship and to grow in self-worth. This honest and heartfelt book is written in three sections: The Ideal, The Struggles, and The Plan. The first makes the seemingly impossible possible by reflecting on the ideal of authentic love and citing real examples from our world. The second section candidly addresses the challenges, the struggles, and the confusion associated with sex, dating, and love. In the third section, The Plan, outlines practical suggestions to assure that all of your relationships are healthy and to help you date wisely. Family life is imploding, and this book can be a catalyst to change the world, one relationship at a time. **Let's Talk About When Someone You Love Is in the Hospital** Marianne

Johnston, 1996-12-15 Discusses visiting loved ones in the hospital, how to make them feel better, how they look as patients, and the scary feelings one has at such a time. *What Love Is* Carrie Jenkins, 2017-01-24 A rising star in philosophy examines the cultural, social, and scientific interpretations of love to answer one of our most enduring questions: What is love? Aside from being the title of many a popular love song, this is one of life's perennial questions. In *What Love Is*, philosopher Carrie Jenkins offers a bold new theory on the nature of romantic love that reconciles its humanistic and scientific components. Love can be a social construct, the idea of a perfect fairy tale romance, and a physical manifestation; those anxiety-inducing heart palpitations we must recognize its complexities and decide for ourselves how to love. Motivated by her own polyamorous relationships, she examines the ways in which our parameters of love have recently changed to be more accepting of homosexual, interracial, and non-monogamous relationships and how they will continue to evolve in the future. Full of anecdotal, cultural, and scientific reflections on love, *What Love Is* is essential reading for anyone seeking to understand what it means to say "I love you." Whether young or old, gay or straight, male or female, polyamorous or monogamous, this book will help each of us decide for ourselves how we choose to love. **Love is No Luxury** Marjory Louise Bracher, 1951
