100 Greatest Cult Films Christopher J. Olson, 2018-04-12 The term cult film may be difficult to define but one thing is certain A cult film is any movie that has developed a rabid following for one reason or another From highly influential works of pop art like Eraserhead and Faster Pussycat Kill Kill to trash masterpieces such as Miami Connection and Fateful Findings thousands of movies have earned recognition as cult classics over the years and new movies rise to cult status every year So how do viewers searching for the best or most important cult films decide where to start In 100 Greatest Cult Films Christopher J Olson highlights the most provocative intriguing entertaining and controversial films produced over the last century The movies included here have either earned reputations as bona fide cult classics or have in some way impacted our understanding of cult cinema often transcending traditional notions of good and bad while featuring memorable characters unforgettably shocking scenes and exceptionally quotable dialogue With detailed arguments for why these films deserve to be considered among the greatest of all time Olson provides readers fodder for debate and a jumping off point for future watching A thought provoking and accessible look at dozens of cinematic treasures this resource includes valuable information on the films creators and institutions that have shaped cult cinema Ultimately The 100 Greatest Cult Films offers readers from casual cinephiles film scholars and avid fans alike a chance to discover or re discover some of the most memorable films of all time

Where Does it Happen? George Kouvaros, 2004 A good movie John Cassavetes has remarked will ask you questions you don't already know the answers to And in his films Cassavetes is as good as his word Taking up the radical question that Cassavetes's films consistently pose specifically where is the line between actor and character fiction and reality film and life George Kouvaros reveals the unique and illuminating position that Cassavetes's work occupies at the intersection of filmmaking and film theory Central to any understanding of Cassavetes's achievement is the issue of performance Looking at the work of Gena Rowlands Ben Gazzara and Cassavetes himself in films such as Faces A Woman under the Influence and The Killing of a Chinese Bookie Kouvaros shows how performative instances gestures words or glances open up intimations of dramas belonging neither strictly to these films nor to the everyday worlds in which they are immersed A major reassessment of the filmmaker as a formal experimenter Where Does It Happen gives Cassavetes his due as a filmmaker whose critical place in the modern cinema is only now becoming clear George Kouvaros is senior lecturer in the School of Theatre Film and Dance at the University of New South Wales Australia

When Movies Mattered Dave Kehr, 2011-04-15 If you have ever wanted to dig around in the archives for that perfect Sunday afternoon DVD and first turned to a witty weekly column in the New York Times then you are already familiar with one of our nation's premier film critics If you love movies and the writers who engage them and just happen to have followed two of the highest circulating daily papers in the country then you probably recognize the name of the intellectually dazzling writer who has been penning pieces on American and foreign films for over thirty years And if you called the City of the Big Shoulders home in the 1970s

or 1980s and relied on those trenchant incisive reviews from the Chicago Reader and the Chicago Tribune to guide your moviegoing delight then you know Dave Kehr When Movies Mattered presents a wide ranging and illuminating selection of Kehr s criticism from the Reader most of which is reprinted here for the first time including insightful discussions of film history and his controversial Top Ten lists Long heralded by his peers for both his deep knowledge and incisive style Kehr developed his approach to writing about film from the auteur criticism popular in the 70s Though Kehr s criticism has never lost its intellectual edge it s still easily accessible to anyone who truly cares about movies Never watered down and always razor sharp it goes beyond wry observations to an acute examination of the particular stylistic qualities that define the work of individual directors and determine the meaning of individual films From current releases to important revivals from classical Hollywood to foreign fare Kehr has kept us spellbound with his insightful critical commentaries When Movies Mattered will secure his place among our very best writers about all things cinematic **Roger Ebert's Four Star**
