Reid, 2000-08 Reid aids preachers by bringing together current biblical research on the parables in the hope that it will open new vistas of meaning and help spark their creativity She also offers an understanding of how parables communicate and invite preachers to try out the parabolic techniques of preaching Parables for Preachers is for everyone interested in obtaining a deeper understanding of parables      **Mediaeval Isma'ili History and Thought** Farhad Daftary, 2001-02-22 This volume presents scholarship on Isma'ili history and thought from leading authorities in the field      *Moments in Time* HyeRan Kim-Cragg, 2024-11-13 This book is about preaching in The United Church of Canada Gathering together two or three sermons from each decade in the first century of the United Church's life authors HyeRan Kim Cragg and Don Schweitzer share the perspectives of diverse United Church preachers facing events from the formation of the United Church to the challenge of online ministry during a pandemic Each sermon is accompanied by historical context an analysis of homiletical techniques and the influence of each sermon and preacher From the opening chapters of Moments in Time readers will be transported across the last century to survey the landscape and legacy of this beloved institution that has played such an influential role in Canadian religious history and society      **Go Preach!** Brian K. Blount, 1998 Connecting the apocalyptic message of Mark's Gospel to principles and programs of socio cultural transformation in the life of the Black church today Blount begins his study of Mark by examining the social significance of Jesus proclamation of the coming Kingdom of God Through Jesus God's future power broke through to the human present This experience of the Kingdom empowered the disciples to Go preach the Kingdom message in word and deed to finish the story that Mark's narration about Jesus began Blount compares the situation of today's Black church to the situation in which the Gospel arose and explores the implications of apocalyptic theology for the pastoral mission of the Black church He demonstrates the value of a

sociolinguistic approach to the scripture both in interpreting the text in its original context and in unpacking its meaning for today *Feasting on the Word: Year B, Volume 1* David L.
