Living from the Inside Out Claire Smedley,2024-07-19 At some stage many of us face a moment of reflection looking in the mirror and wondering what happened to the carefree dream filled child we once were It s common to question whether it s too late to pursue those dreams that once sparked such joy in our hearts Living from the Inside Out poses a crucial question Do you see life as something that happens to you or do you believe that you actively shape your own destiny This book challenges the belief that we are mere victims of circumstance presenting an empowering perspective It delves into the age old quest to understand the extent of our influence over our lives Are we reactors to what life throws at us or creators of our own path Interestingly these roles are composed of the same letters just arranged differently This metaphor serves as a reminder that we have the power to rearrange our perception of ourselves and the world around us thereby actively creating our lives from the inside out breathing life into dormant dreams and moving beyond stress and dissatisfaction Author Claire Smedley introduces readers to the Kosha Roadmap an ancient yogic model for living a fulfilling life With her two decades of experience Claire revitalizes this ancient wisdom giving it a contemporary twist that is accessible to everyone This book promises to transform your understanding of yourself and your life serving as a guide to lasting happiness

Daily Reflections on Divine Mercy John Paul Thomas,2016-03-17 Daily Reflections on Divine Mercy was written to provide an awakening to the abundant Mercy of God It offers daily reflections and prayers to help deepen the day to day faith life of every Catholic so that you can understand the abundance of Mercy poured forth from the Heart of our Savior as it is revealed in the writings of Saint Maria Faustina Kowalska Divine Mercy in My Soul Diary of Saint Maria Faustina Kowalska is soon to become a classic spiritual book that everyone is encouraged to read in their lifetime However many find this invitation intimidating not just because of the width of her book but because of the depth of its message on The Divine Mercy in each of Saint Faustina s notebook entries This book Daily Reflections on Divine Mercy was written with the hope of guiding you through Saint Faustina s Diary and her six notebooks of reflections It can be used on its own to help you pause and reflect on the beauty of Jesus messages to her or as a companion book as you simultaneously read Saint Faustina s Diary Daily Reflections on Divine Mercy offers 365 daily teachings reflections and prayers based upon the pages of Saint Faustina s Diary The structured way to use this daily reflection book is to do just that reflect upon one page each day However some may feel called to skip around a bit read a

few reflections at a time or return to a particular reflection through which God spoke to you Therefore though this book was written with the intent of providing one reflection for each day of the year the best way to use it is any way you feel called and the way that benefits your relationship with God the most The first paragraph for each day offers this author s insights to the words and teachings of Saint Faustina The section of her Diary used for the day s teaching is marked so that the reader can also read her Diary first hand so as to see the primary source that the author of this book took inspiration from for that day s reflection Though the primary text of the Diary is never quoted nor are the reflections of this book exact representations of the Diary they do provide the foundational basis for the spiritual message shared in each reflection The second paragraph for each day offers a short reflection put more as a question to the reader It offers the same insight in a different format so as to enter more deeply into the message of the day Finally each daily reflection ends with a prayer focused upon the message and reflection for that day The reader is encouraged to pray this prayer several times Ideally it is prayed first thing in the morning again during the day and again at night as an examination on how well the daily message was received As you seek to survive the world we live in allow these pages to be a font of Mercy for you from God Allow God s Divine Mercy to penetrate your heart so that you will know the abundance of His love and be more prepared to share that love with others
