A note about the title While Make Love Great Again may bring to mind a certain political slogan I assure you this is a romance novel through and through This book isn t about politics it s about love connection and rekindling the spark that we all deserve in our lives In a world that can often feel divided love is one thing that unites us all and who couldn t use a little more of that So if the title made you pause I ask you to look beyond it and open your heart to a story that celebrates passion joy and the beauty of human connection Let s embrace love not as a political statement but as a reminder of the good things we can share Grab a copy and see for yourself because let s face it the world could use a love reboot With that said here is the description for Make Love Great Again What if your first love was more than a memory What if it was your only chance at lasting happiness Make Love Great Again is a love story like no other raw unflinching and unforgettable Julie and Rick s teenage romance in New York s Central Park was a fire that burned too brightly to last Life tore them apart leaving shattered dreams and unanswered questions Decades later fate reunites them but rekindling their passion is only the beginning From the shadow of wealth and heartbreak to the brutal reality of mental health struggles their love is tested in ways they never imagined When their daughter vanishes desperation drives them to a midnight confrontation at the hauntingly beautiful Cloisters Museum Surrounded by echoes of their past they face the ultimate question Can their love survive the wreckage of life This is not just a romance It s a journey into the heart of love s imperfections the mess the pain and the beauty of never

giving up For readers who crave stories that challenge the clichés *Make Love Great Again* offers a bold new vision of love imperfect breathtakingly real and worth every fight *The Five Great Philosophies of Life* William De Witt Hyde,1911
