

# Death Love

POETIC T

I had a relationship with death, she had a grip  
on my heart. Saying I was her only one,  
but I knew there were others.

That I wasn't her only one, she had an embrace  
of love on others hearts. She was by my bedside  
whispering what was and could have been.

Her breath is cold on my soul, does she realize the  
pain in my heart. I had an affair with death,  
she was by my side saying we would be together forever.

She kissed me and I vacated this place, never to see  
her again. I loved her till the end, but now she has  
another's heart playing his strings till death does part

**Propertius: A Hellenistic Poet on Love and Death** Theodore D. Papanghelis,1987-05-28 The bond between love and death has long been recognised as a defining characteristic of the elegies of Propertius but scholars have rarely clarified how or to what degree Propertius differed from other love poets in associating these themes In this book Dr Papanghelis traces the radical way in which Propertius dealt with amorous and morbid fantasies in his poems He argues that the modes of erotic expression used in the elegies are fundamentally unconventional to the point that the definitions of love and death are interdependent This book offers a detailed reading of some of the most stimulating and problematic of Propertius elegies offering fresh insight on the question of the poet s sensuous temperament and the significance of the love death relationship in his works [Poems of Love and Death](#) Cecil Hall,2011-06-01 [Life, Love and Death in Latin Poetry](#) Stavros
