PSYCHOLOGY POP PSYCHOLOGY    **Female Homosexuality in Ancient Greece and Rome** Sandra

Boehringer, 2021-09-06 This groundbreaking study among the earliest syntheses on female homosexuality throughout Antiquity explores the topic with careful reference to ancient concepts and views drawing fully on the existing visual and written record including literary philosophical and scientific documents Even today ancient female homosexuals are still too often seen in terms of a mythical ethereal Sapphic love or stereotyped as Amazons or courtesans Boehringer's scholarly book replaces these clichés with rigorous precise analysis of iconography and texts by Sappho Plato Ovid Juvenal and many other lyric poets satirists and astrological writers in search of the prevailing norms constraints and possibilities for erotic desire The portrait emerges of an ancient society to which today's sexual categories do not apply a society before sexuality where female homosexuality looks very different but is nonetheless very real Now available in English for the first time *Female Homosexuality in Ancient Greece and Rome* includes a preface by David Halperin This book will be of value to students and scholars of ancient sexuality and gender and to anyone interested in histories and theories of sexuality    **The Libertine's Friend** Giovanni Vitiello, 2011-07-15 Delving into three hundred years of Chinese literature from the mid sixteenth century to the mid nineteenth The Libertine's Friend uncovers the complex and fascinating history of male homosexual and homosocial relations in the late imperial era Drawing particularly on overlooked works of pornographic fiction Giovanni Vitiello offers a frank exploration of the importance of same sex love and eroticism to the evolution of masculinity in China Vitiello's story unfolds chronologically beginning with the earliest sources on homoeroticism in pre imperial China and concluding with a look at developments in the twentieth century Along the way he identifies a number of recurring characters for example the libertine scholar the chivalric hero and the lustful monk and sheds light on a set of key issues including the social and legal boundaries that regulated sex between men the rise of male prostitution and the aesthetics of male beauty Drawing on this trove of material Vitiello presents a historical outline of changing notions of male homosexuality in China revealing the integral part that same sex desire has played in its culture    **Love Between Men in English Literature** Paul
