## **Love Freedom And Aloneness A New Vision Of Relating:**

**Love, Freedom, and Aloneness** Osho, 2002-12-13 Why it is that people who are happy being alone have the best chance to have good relationships with others      Spiritual Liberation Michael Bernard Beckwith, 2009-10-06 Michael Bernard Beckwith the dynamic spiritual leader who touched millions of readers and viewers in *The Secret* and through the spiritual community he founded the Agape International Spiritual Center is now sharing his transforming central message and his powerfully accessible means for embodying that message in daily life a process he calls aspiring toward spiritual liberation Michael Beckwith teaches that inner spiritual work not religiosity or dogma liberates us He draws on a wide spectrum of ancient wisdom teachers such as Jesus the Christ and Gautama the Buddha contemporary spiritual luminaries Thich Nhat Hanh Sri Aurobindo and the Dalai Lama and Western contributors to the New Thought tradition of spirituality such as Emanuel Swedenborg Walter Russell and Dr Howard Thurman to create a profound new belief synthesis Either read silently or aloud *Spiritual Liberation* can be included during meditation or prayer Each chapter includes an affirmation that distills its core concepts into a sentence or two for the reader to easily practice throughout the day Beckwith's personal and touching accounts guide the practitioner to integrate and activate the intrinsic gifts of divinity into everyday life The core concepts of Beckwith's teachings are cohesively conceived and convincingly stated in the provocative chapters of *Spiritual Liberation* Topics covering Evolved People Transportation to Transformation Transcending the Tyranny of Trends and Inner Ecology are some of his foundational teachings that bring together insights from a range of spiritual paths to form a coherent practice that is neither Eastern nor Western but truly spiritually global Regardless of their belief system readers will find it impossible to finish this book without at least a few Aha moments      *Yoga* Osho, 2002-12-06 Drawing from yoga's original teachings Osho clarifies the mind body relationship and reveals yoga to be not only a set of physical exercises but what he calls a science of the soul      *Guru English* Srinivas Aravamudan, 2006 *Guru English* is a bold reconceptualization of the scope and meaning of cosmopolitanism examining the language of South Asian religiosity as it has flourished both inside and outside of its original context for the past two hundred years The book surveys a specific set of religious vocabularies from South Asia that Aravamudan argues launches a different kind of cosmopolitanism into global use Using *Guru English* as a tagline for the globalizing idiom that has grown up around these religions Aravamudan traces the diffusion and transformation of South Asian religious discourses as they shuttled between East and West through English language use The book demonstrates that cosmopolitanism is not just a secular Western discourse that results from a disenchantment with religion but something that can also be refashioned from South Asian religion when these materials are put into dialogue with contemporary social movements and literary texts Aravamudan looks at religious forms of neoclassicism nationalism Romanticism postmodernism and nuclear millenarianism bringing together figures such as Swami Vivekananda Sri Aurobindo Mahatma Gandhi and Deepak Chopra with Rudyard Kipling James Joyce Robert Oppenheimer and Salman Rushdie *Guru English* analyzes writers and gurus
