Love Is:

Love Is a Story Robert J. Sternberg, 1999-06-03 In this groundbreaking work Robert Sternberg opens the book of love and shows you how to discover your own story and how to read your relationships in a whole new light. What draws us so strongly to some people and repels us from others. What makes some relationships work so smoothly and others burst into flames. Sternberg gives us new answers to these questions by showing that the kind of relationship we create depends on the kind of love stories we carry inside us. Drawing on extensive research and fascinating examples of real couples, Sternberg identifies 26 types of love story, including the fantasy story, the business story, the collector story, the horror story, and many others, each with its distinctive advantages and pitfalls, and many of which are clashingly incompatible. These are the largely unconscious preconceptions that guide our romantic choices, and it is only by becoming aware of the kind of story we have about love that we gain the freedom to create more fulfilling and lasting relationships. As long as we remain oblivious to the role our stories play, we are likely to repeat the same mistakes again and again. But the enlivening good news this book brings us is that though our stories drive us, we can revise them and learn to choose partners whose stories are more compatible with our own. Quizzes in each chapter help you to see which stories you identify with most strongly and which apply to your partner. Are you a traveler, a gardener, a teacher, or something else entirely? Love is a Story shows you how to find out.

Love Is The Wine Muzaffer Ozak, 2013-10-17 Love is the Wine presents an intoxicating mix of essays to satisfy the spiritual thirst of those with long experience in Islam as well as those encountering Sufism and the meaning of spiritual love for the first time. Themes including generosity, faith, self-knowledge, patience, and love are developed with stories and teachings by Turkish Sufi master Sheikh Muzaffer Ozak. A mesmerizing storyteller, master teacher, and prolific author in his native country, he was ideally suited to bring the richness of the Sufi tradition to the West. The chapters of this book, skillfully edited and compiled by the psychologist and Sufi teacher Dr. Robert Frager, were derived from talks given during Sheikh Muzaffer's visits to New York and California over the last years of his life. Sheikh Muzaffer Ozak understood Westerners as almost no Sufi master before him has. His religious bookshop in Istanbul attracted hundreds of Western seekers visiting Turkey. In his travels, he initiated hundreds of Americans and Europeans into the Halveti Jerrahi Order, interpreted their dreams, and answered their questions about everything from theology and mysticism to marriage and earning a living. These stories and teachings are memorable yet highly enigmatic and meant to be told and retold. Like great spiritual parables, the themes are universal and their applications ageless. The astute reader will appreciate new levels of meaning in these profound teaching tales with each reading. Love is the Wine is a treasury filled with priceless items of Sufi wisdom.

Discusses visiting loved ones in the hospital how to make them feel better, how they look as patients and the scary feelings one has at such a time. **What Love Is** Carrie Jenkins, 2017-01-24. A rising star in philosophy examines the cultural, social and scientific interpretations of love to answer one of our most enduring questions: What is love? Aside from being the title of many a popular love song, this is one of life's perennial questions. In *What Love Is*, philosopher Carrie Jenkins offers a bold new theory on the nature of romantic love that reconciles its humanistic and scientific components. Love can be a social construct, the idea of a perfect fairy tale romance and a physical manifestation those anxiety inducing heart palpitations we must recognize its complexities and decide for ourselves how to love. Motivated by her own polyamorous relationships, she examines the ways in which our parameters of love have recently changed to be more accepting of homosexual, interracial and non-monogamous relationships and how they will continue to evolve in the future. Full of anecdotal cultural and scientific reflections on love, *What Love Is* is essential reading for anyone seeking to understand what it means to say I love you. Whether young or old, gay or straight, male or female, polyamorous or monogamous, this book will help each of us decide for ourselves how we choose to love. **Love is No Luxury** Marjory Louise Bracher, 1951.
