Love Sex And Intimacy

Love Sex And Intimacy:

Love, Sex and Intimacy Nitya Lacroix, Lorenz, 1995 *Love Sex Intimacy* is a comprehensive and invaluable resource for everyone looking to better understand their sexuality and enhance their sexual knowledge. The book explores every aspect of adult sexuality from basic physical functions to emotional and mental factors that affect our choice of partner and our enjoyment of intimate relationships and various sexual techniques. With a lively sensual approach, the author discusses the various aspects of sex from a couple's initial meeting through courtship to lovemaking. *Love Sex Intimacy* includes discussions and photographs describing the physical and emotional aspect of female and male sexuality, the importance of self-awareness in good sex, how to signal attraction and availability, and projecting a positive image overall, both internally and to the partner.

Challenge of the Heart John Welwood, 1985-10-12 This powerful collection of essays by such notables as D.H. Lawrence, Robert Bly, Anne Morrow Lindbergh, and Rainer Maria Rilke focuses on the challenges of love between men and women, addressing the questions and difficulties arising for people in relationships today. Anyone who has been or hopes to be in an intimate relationship with a person of the opposite sex will find this book a must-read. The first group of essays deals with the contradictions and possibilities inherent in erotic love, leading to the question posed in the next section: What do men and women really want? The contributors then explore marriage as an ongoing path of personal transformation. That opens into a look at sexuality itself as an especially vivid meeting of two different worlds. The book closes with a group of writings that consider relationship as a vehicle for developing power, wisdom, and inner truth. Carefully selected and threaded together by Welwood's insightful commentary, the essays presented here approach the challenge of intimacy with bravery and gentleness, inspiring the reader toward becoming a warrior of the heart.

Sex, Love and the Dangers of Intimacy Helena Lovendale, Nick Duffell, 2002 Case studies offer insight into how to make relationships work. Each chapter contains such exercises as breathing exercises, making a timeline of the relationship, and thoughts to ponder.

Love & Sex Nancy Houston, 2018-02-05 So many couples struggle in their sexual lives because they divide sex and love. Nancy Houston has written an excellent, practical, and very hopeful book on how to reintegrate the division. Dr. John Townsend, New York Times bestselling author of *Boundaries*, without question one of the greatest communicators of our generation, on Christian sex and intimacy is Nancy Houston. Amy Ford, president of Embrace Grace and author of *A Bump in Life*, says sex is powerful. Just saying the word sex can stir up all kinds of emotions. Maybe it's a positive emotion for you, or possibly a hurtful, shameful, confusing one. It's no wonder we struggle to understand its meaning and purpose. It can be difficult to talk about, and if we have experienced unwanted shame or grew up in a home where sex was taboo, addressing the topic can be even more difficult. In a world of sexual chaos and confusion, we all need a healthy dialogue on the topic, not a black or white right or wrong lecture, but a safe forum for discovering, learning, processing, and growing into passionate intimacy within the freedom God provides. In *Love Sex*, Nancy Houston provides a compassionate view of human sexuality. Through the lens of Scripture, she unpacks the

good God intended when He created humans as sexual creatures while recognizing that many people haven't experienced sex in a positive way. You won't find a critical examination of dos and don'ts but stories of redemption, grace, and hope. You will understand how you were shaped and that you are more than your sexual behaviors. For some people, sex is a regular part of life. For others, it's a huge deal. Maybe even too big of a deal. This book will be your roadmap to finding sexual health, happiness, and balance. And if you are one of the few unscathed by sexual shame or confusion, this book will help you develop a more compassionate lens for those who do struggle.

[The Phenomenology of Sex, Love, and Intimacy](#) Susi Ferrarello, 2019-01-24 **The Phenomenology of Sex Love**

and Intimacy presents a phenomenological exploration of love as it manifests itself through sexual desires and intimate relationships. Setting up a unique dialogue between psychology and philosophy, Susi Ferrarello offers a perspective through which clinicians can inform their practice on diverse issues of human sexuality. Drawing on Husserl's phenomenology, Ferrarello's analysis of love spans a range of disciplines including psychology, theology, biology, epistemology, and axiology, as well as areas related to gender, consent, and political control. Combining Husserlian perspectives on ethics with a focus on lived experience, this text will deepen therapists' understanding of love as the subject of interdisciplinary inquiry and enable them to locate questions of sexuality and intimacy within an academic framework. With key theoretical principles included to allow clinicians to think through and clarify their practice, this book will be a valuable tool for sex therapists, marriage and family therapists, and counselors, as well as psychology and philosophy students alike.

The Transformation of Intimacy
Anthony Giddens, 2013-04-23

The sexual revolution: an evocative term, but what meaning can be given to it today? How does sexuality come into being, and what connections does it have with the changes that have affected personal life on a more general plane? In answering these questions, Anthony Giddens disputes many of the dominant interpretations of the role of sexuality in modern culture. The emergence of what the author calls plastic sexuality—sexuality freed from its intrinsic relation to reproduction—is analysed in terms of the long-term development of the modern social order and social influences of the last few decades. Giddens argues that the transformation of intimacy, in which women have played the major part, holds out the possibility of a radical democratization of the personal sphere. This book will appeal to a large general audience, as well as being essential reading for students and professionals.
