**Prayers for Commanding Results in The New Year** Samantha Smith,2019-12-16 The New Year is getting closer Praise be to our God Hallelujah But have you secured your year Let me tell you a profound secret there is no good or bad that befalls a man physically that has not been settled spiritually Before a man gets physical blessings He must have settled it in the secret place Without a secret place there is no way the glory of God can emanate from a man s life Do you know one of the ways of having a fruitful and all round prosperous year is for you to secure it by putting it in the hands of God I would be straightforward before you proceed with the New Year you need to put it in the hands of God There is no good thing that can find a man out without God taking absolute control There is a place of sacrificial prayers there is a secret room where you will secure your New Year and there is a way you win all unseen battles before you proceed into the New Year The Bible talked about Jesus when He was 12 years but do you know when the Bible talked next about Jesus When He was 33 years old Have you ever asked yourself what Jesus did for 22 years If He could settle most things when in the physical body why shouldn t you He was putting His assignment in the hands of God If you are not ready to burn a thousand candles to seek the face of God you might find it challenging to stand out in the New Year You need to pay a big sacrifice by surrounding your spirit man with the unstoppable fire of the Holy Ghost to kick start the New Year If you don t give all of you to God He cannot

give his all to you When David came back to the city of Zillag I Samuel 20 and found out that his whole family has been taken away He inquired of God if he should pursue and God told him to pursue If indeed you want to have a year filled up with happiness joy prosperity etc you must put it in the hands of God When Hannah was in dying need of a child she took it to God in prayers and God responded to her request by answering her prayer Do you know every bareness the Devil has tormented you with is about to disappear When you know how to pray your way into the New Year you can break all awaiting battles all unseen sicknesses and all unwanted Pain that the Devil might have planted or want to plant for you Praying your way into the New Year is an essential task for every Bible believing Christian It is necessary you set aside every sensible plan to settle it in the Spiritual realm in your Secret place In this book I would be writing out leading several prayers to secure your family your children and your friends I would be leading in prayers that would secure you all through the year Be ready to witness newness in your life Every past story will turn to testimony Every recent disgrace will turn to heavenly lifting I would be leading prayers that would destroy all forces trying to render your New Year useless Be ready to enter into the New Year with a newfound confidence in the Almighty God Please if you can FAST as you pray these prayers it would much better The Lord God will lighten every darkness in your life Family business etc I pray for you The New Year will be great for you in the mighty name of Jesus What you have struggled to achieve in the previous year s the Lord God Strong Mighty would make it extremely easy and effortless for you in the mighty name of Jesus All financial difficulty in the past years is destroyed in the mighty name of Jesus All spiritual battles are destroyed in the mighty name of Jesus Believe in your heart that the Lord God is starting something new in your life I congratulate you in advance you shall have an all round prosperous year filled with total fruitfulness in the mighty name of Jesus Please Pray this prayer before you begin In the mighty name of Jesus Channels of my Spirit open up

**The New-Years-gift, Complete: in Six Parts ,1709      The Life of Prayer in a World of Science** Richard

Ostrander,2000 By the end of the 19th century the ascendance of a naturalistic worldview had made it increasingly difficult for many educated Christians to believe in a God who intervened in the natural world At the same time many in the emerging middle class culture saw themselves as too busy to practice the rigorous devotions of their ancestors In this book Rick Ostrander explores the attempts of American Protestants to articulate a convincing and satisfying ethic of prayer in these changing circumstances Ostrander shows that in response to the assault on petitionary prayer by naturalistic scientists American Evangelicals articulated a highly supernatural ethic of prayer and co opted the scientific method to defend their stance recording and cataloging numerous answers to prayer as empirical proof of prayer s efficacy Liberal Protestants on the other hand with their desire to adapt to modern thought gradually abandoned traditional belief in petitionary prayer The debate about the efficacy of petitionary prayer and other alternative therapies in mental and physical healing has taken on new vigor today this timely and engagingly written work not only chronicles the history of that debate but serves to illuminate the issues that are at stake
