This comprehensive roleplaying guide will teach you how to plan and kick off your tabletop RPG experience. Create your own unique character that is fully immersed in your game's world. Find and use inspiration for your TTRPG characters. Use description to grow your imagination and make more compelling stories. Adapt your character to your game's world. Develop skills that are useful in and outside of the game. Find your next favorite TTRPG series. Connect with other gamers. With a proven process for creating engaging characters honed over many awkward and nerdy years, this guide is your one must-have resource to make and play unforgettable TTRPG characters. About the Expert: Jeffrey Wright is a proud nerd, avid tabletop gamer, and writer. With nearly two decades of experience playing and running a wide variety of tabletop roleplaying games, Jeffrey Wright has made it his mission to get as many people playing TTRPGs as possible. He credits the freeform immersion offered by tabletop gaming for his outgoing personality, love of writing, and obsessive collecting habits. He regularly prepares and runs games for new players at his local game store to introduce them to the magic of roleplaying games. Most days he can be found resting atop his gigantic dice hoard, challenging strangers to riddle contests. On other days he practices being less sarcastic.
