Color Sean Burdette,2018-10-29 Euphonium Baritone Book Two of the Brass in Color Beginner Method Series uses a color
coded tablature Color Fingerings to help students learn the fingerings of the euphonium baritone and apply them to notes in
the Low Range The Low Range begins with the notes Bb A notated on the staff and the remaining notes of the Low Range are
presented in a descending chromatic order and end with the note E that is notated below the staff For each lesson the notes
of the Low Range will be introduced relative to the notes of the Middle Range and these notes will correspond with the Color
Fingerings In this way students will be able to see how the same fingerings are used to play different notes on the euphonium
baritone In addition to learning the notes of the Low Range students will be introduced to the music concepts of slurs eighth
notes and scales Standard music notation has also been included with each lesson to help the instructor know which notes to
play and to teach students how to read the notes as they match them with the fingerings of the euphonium baritone Breath
marks articulation dynamics and tempi are not noted in the lessons and may be added by the instructor as needed Also key
signatures are not used so that students will focus primarily on listening and learning the fingerings associated with the
notes This beginner method series for euphonium baritone also has a companion website www.brassincolor.com On the
