New Ideas For The Twenty First Century Lets Take:

New Ideas for the Twenty First Century James Raintree, 2005-02 In *Mostly About Me* Rudolph H Weingartner gives a detailed and thoughtful account of a varied life that took him from pre Hitler Heidelberg to Pittsburgh Pennsylvania via many intervening stops He became an American during his adolescence in New York and while serving on an LST in the U S Navy He then tells of his studies at Columbia and of the stumbling that finally led to an academic career in philosophy It began with a job at Mortimer Adler s curious research institute in San Francisco and continued with a few years on the Columbia faculty In 1959 he returned west to teach for nine years at San Francisco State In 1968 he fled from there to a somewhat calmer Vassar after S F State was overtaken by turmoil After Vassar Weingartner made a shift to academic administration Here is an extensive account of what was involved in being successful as dean at Northwestern followed by the story of the author s frustrating stint as provost of the University of Pittsburgh Weingartner s private life gets virtually equal attention in this book He talks about his parents his brother and about his two children He tells the story of a marriage of forty two years and of its sad end he relates how he recovered thanks to a second marriage In addition to family members a large cast of characters of friends colleagues and acquaintances make their appearance in this book Among broader topics the author takes up his relationship to his Jewish religion and gives an account of the many manifestations of his interest in music and art *Mostly About Me* offers glimpses into the different worlds in which its author has played a role But it also affords an insight into the person who has lived so varied a life and has here reflected on it
