Zionism Milton Viorst, 2016-07-19 From serving as the Middle East correspondent for The New Yorker to penning articles for the New York Times Milton Viorst has dedicated his career to studying the Middle East Now in this new book Viorst examines the evolution of Zionism from its roots by serving as a cultural refuge for Europe's Jews to the cover it provides today for Israel's exercise of control over millions of Arabs in occupied territories Beginning with the shattering of the traditional Jewish society during the Enlightenment Viorst covers the recent history of the Jews from the spread of Jewish Emancipation during the French Revolution Era to the rise of the exclusionary anti-Semitism that overwhelmed Europe in the late nineteenth century Viorst examines how Zionism was born and follows its development through the lives and ideas of its dominant leaders who all held only one tenet in common that Jews for the first time in two millennia must determine their own destiny to save themselves But in regards to creating a Jewish state with a military that dominates the region Viorst argues that Israel has squandered the goodwill it enjoyed at its founding and thus the country has put its own future on very uncertain footing With the expertise and knowledge garnered from decades of studying this contentious region Milton Viorst deftly exposes the risks that Israel faces today *Historical Abstracts*, 1996 [Books in Print](#), 1993-09 V 1 Authors A D v 2 Authors E K v 3 Authors L R v 4 S Z v 5 Titles A D v 6 Titles E K v 7 Titles L Q v 8 Titles R Z v 9 Out of print out of stock indefinitely v 10 Publishers **Israel's Quest for Recognition and Acceptance in Asia** Jacob Abadi, 2004-03 Dr Abadi provides an overview of Israel's relations with Asian countries from 1948 until the present and analyzes the political social and economic factors in each country and the role that each played in the process of rapprochement with Israel [Transdex Index](#), 1989 An index to translations issued by the United States Joint Publications Research Service JPRS [The Hamlyn Historical Atlas](#) Robert Ian Moore, 1981 This text contains 102 pages of entirely new full colour maps assembled by a team of experts Particular attention has been paid to illustrating themes of cultural history of the relationship between different civilisations and of the growth of an overall world community The non Western world especially Asia receives full coverage and the contributors have taken care to concentrate on information of specific importance to the themes of each map whether it be the routes of royal progresses in medieval Germany or the spread of government sponsored factories in 19th century Japan rather than on military activity or border changes The maps are illuminated by a series of essays which draw together the ideas of various maps and open up new perspectives from historical geography The result is a guide to world history that is essential reference and fascinating reading for everyone interested in history [America, History and Life](#), 1995 Article abstracts and citations of reviews and dissertations covering the United States and Canada **The International Who's Who** Gale Group, 60th 96-97, 1996 This source of biographical information on the foremost men and women in the world today contains 20 000 detailed biographies each of which includes nationality date and place of birth career history and present position honours awards leisure interests current address and telephone number [A New Israel](#)

The Last Days in Israel Abraham Diskin,2003 During the 1990s many dramatic changes influenced the basic characteristics of the Israeli democracy This volume examines the challenges and circumstances the country has faced and addresses both the public s and leadership s singular goal of peace and security The book also investigates the renewed constitutional framework which attempted to meet new challenges but in reality contributed to the evolution of new politics and a new party system This new system is explored through an analytical study of the history of the party system with an emphasis on new phenomena such as the growing fragmentation of recent years Developments since the early 1990s are also examined looking at the governmental periods of Prime Ministers Shamir Rabin Peres Netanyahu and Barak Israeli Democracy Under Stress Ehud Sprinzak,1993-01 This work examines the crisis of Israeli politics in the 1990s exploring the increasing ungovernability of the Jewish state its obsolete electoral system and cynical coalition politics its overburdened judiciary its stagnant economy and related issues The authors while highly critical present a comprehensive effort to provide a scholarly foundation for political reform in Israel
