**The Spiritual Practices of South African Clergy** Shaun Joynt, 2024-12-15 Clergy play an important role in the spiritual wellbeing of their congregation They are entrusted by the Great Shepherd to shepherd his flock which entails leading them to green pastures and still waters for example pastoral care and defending them from predatory animals for example heresy However clergy are sheep before they are shepherds and are also in need of the green pastures and still waters of meditation prayer fasting and Bible study These are known as inward spiritual disciplines exercises and have been practiced for centuries **Spiritual Practices of South African Clergy** State of the Clergy discusses these inward spiritual disciplines mental physical spiritual and social benefits The volume explores how clergy from five diverse denominations practice these specific inward spiritual disciplines They include the Methodist Netherdutch Pentecostal Presbyterian and Roman Catholic faith traditions This book focuses on clergy in the Global South and how they practice these spiritual disciplines within their context Clergy congregants academics and lay persons alike will benefit from the research conducted

**Managing Conflict God's Way** Richard W. Tow, 2025-08-11 **Managing Conflict God's Way** is more than just a helpful book it s a timely and Spirit led resource that speaks directly to the heart of where so many of us live and lead in the often messy complicated world of human relationships Rooted in Scripture and filled with practical wisdom this book guides and equips pastors and Christian leaders with everyday tools to move beyond avoidance or aggression and toward healing and reconciliation even in life s hardest moments As a former pastor I know how easily unresolved conflict can tear at the fabric of a church break families apart and damage the witness of the gospel That s why this book matters It offers more than just strategies and skills it invites you into a Christ centered way of living and leading grounded in the call to love your neighbor as yourself In today s divided world this book is both a timely and transformative guide a much needed resource for the church I wholeheartedly recommend **Managing Conflict God's Way** to every Christian leader who desires to walk in peace and guide those they lead on the path of a true peacemaker Dr John Battaglia Director of the Doctor of Ministry program Professor of Practical Theology Assemblies of God Theological Seminary The writing is clear thoughtful and grounded in both biblical truth and sound conflict theory It begins with a thorough discussion of Scripture and its mandates for managing relationships and conflict then moves into an extensive exploration of conflict theory principles and strategies While it covers standard topics in the field it also addresses areas not typically found in conflict texts For example the discussion of interests and satisfaction goes beyond the basics to offer detailed strategies for collaboration Topics such as building trust recognizing boundaries seizing the opportunities of conflict forgiveness and reconciliation confrontational communication and the dangers of demonizing others are all handled with depth and originality supported by Scripture contemporary conflict theory and a rich

tapestry of examples drawn from Richard's extensive professional experience in both secular and faith based contexts
