Perspectives on Church Government Chad Brand, Stan Norman, 2004-07-01 The models of church government discussed are the Plural Elder led Congregational model, the Single Elder led Congregational model, the Democratic Congregational model, the Episcopal model, and the Presbyterian model. **The Great Tribulation** George Gutschess, 2014-10-15 Many Bible teachers today are proclaiming that Christ will come at any moment to take the Christians to heaven leaving the non Christians behind to endure seven years of great tribulation. Others teach that Christ came spiritually in AD 70 when the city of Jerusalem was destroyed by the Romans. Is there any other view? Here is an older interpretation that was commonly held before those which prevail today. The first part of The Great Tribulation is a verse by verse commentary on Matthew 24 written in readable nontechnical style. The second part of the book contains nine articles related to the second coming of Christ and end time events. The Great Tribulation provides insight on these questions: What does Matthew 24 really teach? Will Christ's coming be in two stages? Does Daniel teach that there will be a seven year tribulation? Who is the antichrist and will he appear in a rebuilt temple? What is the abomination of desolation? Was the kingdom of God postponed? Will there be a thousand year period called the millennium? Will some be taken and others left behind? What is the generation that Christ spoke of that is going to see it all?
