**Images of the Anthropocene in Speculative Fiction** Tereza Dedinová, Weronika Laszkiewicz, Sylwia Borowska-Szerszun, 2021-03-01 In order to demonstrate that speculative fiction provides a valuable contribution to the discussion about the challenges of the Anthropocene Images of the Anthropocene in Speculative Fiction investigates a range of novels whose subject matter pertains to various aspects of the Anthropocene. These include the destruction and protection of the natural environment, the relationship between human and non-human inhabitants of the planet, the role of myth in the shaping of and combat against the Anthropocene, the political dimensions of the Anthropocene, the ensuing threat of the Apocalypse and the role of post-apocalyptic narratives. To explore these topics, our authors examine the works of Patricia Briggs, M.R. Carey, Dmitry Glukhovsky, Ursula K. Le Guin, N.K. Jemisin, Stephenie Meyer, China Miéville, James Patterson, Maggie Stiefvater, J.R.R. Tolkien, and Scott Westfield. Their essays demonstrate that speculative fiction, given its ability to pursue scenarios of alternative history and present familiar things in an unfamiliar way, can alter the readers' perception of their duties and responsibilities towards their communities and the world, so that the threat of human-wrought destruction might ultimately be averted.

**Urban Tunnels Role** Benjamin Ramirez, 2025-02-26 Urban Tunnels Role explores the hidden world of underground infrastructure and its vital role in modern cities. This book highlights how urban tunnels support essential utilities like water and electricity and transportation systems such as subways, impacting urban development, resilience, and sustainability. Intriguingly, underground infrastructure has evolved alongside urban development, initially serving basic sanitation needs and expanding to meet current challenges like population density and climate change. The book emphasizes the importance of tunnels for efficient utility distribution and transportation networks. It examines geological considerations, excavation techniques, and structural engineering principles, providing a comprehensive understanding of tunnel construction. By understanding these subterranean networks, cities can optimize resource allocation and minimize environmental impact. Beginning with the historical development of urban tunneling, the book progresses through utility and transportation aspects, featuring global case studies of successful tunnel implementation. It concludes by exploring future trends like smart tunnels, showcasing how advanced monitoring systems contribute to smart city initiatives. This approach ensures readers gain a holistic view of urban tunneling's role in shaping sustainable and resilient urban centers.

**The Palgrave Handbook of Global Fantasy** Elana Gomel, Danielle Gurevitch, 2023-06-07 This handbook is the first of its kind, providing a comprehensive overview of fantasy outside the Anglo-American hegemony. While most academic studies of fantasy follow the well-trodden path of focusing on Tolkien, Rowling, and others, our collection spotlights rich and unique fantasy literatures from India, Australia, Italy, Greece, Poland, Russia, China, and many other areas of Europe, Asia, and the global South. The first part focuses on the theoretical aspects of fantasy, broadening and modifying existing definitions to accommodate the global reach of the genre. The second part contains essays illuminating specific cultures, countries, and

religious or ethnic traditions From Aboriginal myths to self representation of Tibet from the appropriation of the Polish Witcher by the American pop culture to modern Greek fantasy that does not rely on stories of Olympian deities and from Israeli vampires to Talmudic sages this collection is an indispensable reading for anyone interested in fantasy fiction and global literature    **Moonlight Mist: An Urban Fantasy** Stella Fitzsimons,2021-12-28 Not every plan is a good one Luna finds herself living in the San Diego Keep betrothed to the higher Alpha Cyrus a man she holds in low esteem in any of his forms She has no choice It was the only way to give Winter a chance to survive locked away in a dark place by the Persian King of Kings Hard to believe it could get worse until a troll twice the size of Kong lands in San Diego s financial district Fantasy world meet human world epicfantasyfail And then the whole faulty portal wards letting banished monstrosities back into the five realms thing starts to trend and that means endless work for Luna Kirsi and a certain brother from another mother Yeah a total disaster And there s still the shotgun wedding that total xxxxx Chazona the whole lizard people thing bear bats killer trees and a wintry night in the forest of nightmares Luna could really use a couple new powers like yesterday and Winter where is he urban fantasy witch immortals shapeshifters werewolf coming of age paranormal fantasy series witches paranormal elements fantasy adventure contemporary fantasy romance new adult fantasy strong heroine supernatural mystery supernatural suspense    **The Urban Question in Africa** Padraig R. Carmody,James T. Murphy,Richard Grant,Francis Y. Owusu,2023-09-28 Illuminates the path to more generative urban transitions in Africa s cities and developing rural areas Africa is the world s most rapidly urbanizing region The predominantly rural continent is currently undergoing an urban revolution unlike any other generally taking place without industrialization and often characterized by polarization poverty and fragmentation While many cities have experienced construction booms and real estate speculation others are marked by expanding informal economies and imploding infrastructures The Urban Question in Africa Uneven Geographies of Transition examines the imbalanced and contested nature of the ongoing urban transition of Africa Edited and authored by leading experts on the subject this unique volume develops an original theory conceptualizing cities as sociotechnical systems constituted by production consumption and infrastructure regimes Throughout the book in depth chapters address the impacts of current meta trends global geopolitical shifts economic changes the climate crisis and others on Africa s cities and the broader development of the continent Presents a novel framework based on extensive fieldwork in multiple countries and regions of the continent Examines geopolitical and socioeconomic topics such as manufacturing in African cities the green economy in Africa and the impact of China on urban Africa Discusses the prospects for generative urbanism to produce and sustain long term development in Africa Features high quality maps illustrations and photographs The Urban Question in Africa Uneven Geographies of Transition is essential reading for undergraduate and postgraduate students in geography urban planning and African studies academic researchers geographers urban planners and policymakers

**How to Write a Book: For Beginners** A.J. Flowers, Have you ever wondered how to write a book Or

perhaps you've written a manuscript that's already been edited to death yet still isn't good enough Writing your novel doesn't need to be a painful or lonely experience Sit with me and let me teach you all I've learned about creative writing tips and tricks You are already talented if you've written a book or are ready to write fiction which means half the battle is already won I have good news writing skills can most assuredly be learned This guide is designed to answer the following questions What should I consider before writing How to write a novel which has heavy world building elements How do I approach edits What sells a book to agents How can I make connections in the writing and publishing community Should I self publish This guide answers all these questions and more by giving a personal review of actual author pitfalls and how they were overcome as well as soul searching questions that'll reveal your true writing goals Authorship Bonus Content Author interviews from both traditionally and self published authors Samples of winning Twitter Pitch Tweets to see what agents and publishers are looking for and how you can grab their attention *Global Trends in Media Education* Tony Lavender,Birgitte Tufte,Dafna Lemish,2003 Over the last decades Media Education has gradually obtained an educational status in many countries throughout the world although few countries have actually incorporated this subject in their formal school curricula Where Media Education is taught today it is principally carried out using a relaxed pluralistic and a cross or multidisciplinary approach This book sets out to explore this new approach to the subject via chapters that are representative of ongoing work by leading Media Education researchers in nine different countries and from all five continents Media Education is continually evolving and the individual chapters indicate that the passion for the subject is global while the actual translations of practices and policies are very much local The book expands the debate about Media Education beyond the traditions and interests of one part of the world to encompass the needs of the rest *The Urban Caribbean in an Era of Global Change* Robert B. Potter,2000 Based on the author's first hand field research this book addresses the twin processes of urbanization and globalization as they affect the contemporary Caribbean region One of the key aims of the book is to focus attention on the fact that contrary to popular perceptions the Caribbean is highly urbanized Indeed statistics show that the region is more highly urbanized than the world taken as a whole In addition the fact that the Caribbean region has always been affected by processes of globalization in respect of its economy polity and society is central to the text The chapters cover pressing topics such as urban change and the evolution of mini metropolitan regions the importance of the mercantile and plantopolis frameworks tourism post modernity and the urban nexus economic change and the dual processes of global convergence and divergence and the nature of the relationships existing between the state the informal sector housing and environmental conditions In reality it is shown that the development of tourism and enclave manufacturing is leading to new forms of urban concentration and not spatial dispersal *American Urban Politics in a Global Age* Paul Kantor,Dennis R. Judd,2008 In this thoroughly revised reader two leading scholars bring together a collection of readings that highlight the most important trends in urban scholarship today The engaging selections incorporated into American Urban Politics in the

Global Era are arranged and presented within a clear thematic structure and with commentaries by the editors In addition to the political economy perspective emphasized in previous editions of the reader this new edition highlights the impact of globalization on urban politics and policy today The historical and contemporary readings reveal how the interaction of local national and international forces is reshaping the political landscape of urban America     The Paranormal Kenneth Partridge,2009 Surveys various supernatural phenomena from ghosts and extra sensory perception ESP to UFOs and cryptozoology examining whether they have any scientific validity and why people find them so fascinating Chapter headings include Why We Believe America s Haunted Army Is There Anybody Out There and The Myth Hunters     International Seminar on Urban Culture Arte-Polis ,2006     **International Perspectives in Urban Studies** ,1997     The Urban Challenge Larry L. Rose,C. Kirk Hadaway,1982     **Forum for the Discussion of New Trends in Education** ,1977

*Traditional Dwellings and Settlements Review* ,2007     *Cognitive and Social Development Through Digital Media Construction in an Urban After-school Community* Linda Charmaraman,2006     *Managing Urban Tourism* Stephen Page,Colin Michael Hall,2003 An holistic analysis of tourism as an urban phenomenon examining the challenge of developing harnessing and managing urban tourism The text develops concepts from outside tourism providing a basis for students to undertake research outside traditional confines     Urban Land Europe ,2001     Urban Communication Timothy A. Gibson,Mark Lowes,2007 City leaders now confront a global competition for economic investment and urban elites are casting about for strategies that promise to secure a share of this future of global economic growth However many of these strategies are largely symbolic in nature City leaders for example compete for the Olympics so they can broadcast spectacular urban vistas to global television audiences Officials pour public funds into tourist amenities to cultivate an image of vitality and renewal But how are the local politics of urban redevelopment intertwined with the global politics of circulating vital urban images Urban Communication brings together scholars from communication cultural studies and urban sociology to explore the symbolic dimensions of contemporary city building drawing on case studies from around the world     **Gifted and Talented International** ,1994
