**Good Morning Message** Peggy Edwards,2010-08 This daily devotional book has been a God led inspiration from its very start up from its original Bible verse and note of encouragement to some coworkers and family members to people around the world via my email network Our God is so awesome I ve had people return emails to me or speak to me and ask How did you know that I needed that today or How did you know I was going through this That is when I thankfully remind them that God inspired each and every one of these devotionals I am just being faithful and following His directions Now I m led to put them into a year of daily devotions book to reach others Occasionally my emailed devotionals have colored photographs that I take as God inspired message for the day Unfortunately I couldn t include those in this book I did include a photo in grayscale at the beginning of each month the cover photo is a God blessed look at an Alaskan sunset I am so thankful that God is working in my life I want to encourage each of you to grasp hold of whatever gift He has blessed you with and step out in trust and faith to go forth and to share it with others When you feel down just start counting each of the blessings God has touched you with in your life and you will feel His Presence and comfort to encourage you We are never alone He is just a prayer away nothing is impossible for our God He is not done with us yet He is asking us to be obedient in our service to Him and He will help us grow in our faith Trust in Him and you will be astounded at what He has in store for you

*The New Day* Margaret Plank Ganssle,2017-02-16 Excerpt from The New Day A Masque of the Future in Verse and Music At this time when the world is under the hideous nightmare of a war disrupted civilization these words of Tennyson s must sing themselves over and over to the heart lest faith despair and hope fall fainting In their application not only to individuals but to states they reveal the means of world redemption It was in the spirit of these words that the Masque of the New Day was woven from dreams with the hope that others might find in them something akin to their own deep desire for that blessed New Day of Peace and Happiness for All Even in a small town of five hundred souls may be found enthusiasts and dreamers Believing that the

production of a masque of this nature might be a tiny factor in the building of that greater league of cooperation and brotherhood which one day will redeem the world these men and women labored ardently for its success That spirit of enthusiasm disseminated throughout the county brought help and encouragement from every other village No small degree of the enthusiasm was created by the fact that the proceeds of the Masque were to be devoted to the county fund for the Red Cross that sole redeeming agency in the turmoil that now distorts the world About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections
