The New Elite David Lebedoff,1983 **Bureaucratic Representation** H. T. Wilson,2001 This text discusses the central role of bureaucratic representation as a key vehicle for representing the general interests of most citizens Though formal elections remain indispensable bureaucracies in the capital public and social sectors have used their superior expertise and continuity to achieve responsible discretion and creative implementation The Global Rise of Authoritarianism in the 21st Century Berch Berberoglu,2020-09-22 Neoliberal globalization is in deep crisis This crisis is manifested on a global scale and embodies a number of fundamental contradictions a central one of which is the global rise of authoritarianism and fascism This emergent form of authoritarianism is a right wing reaction to the problems generated by globalization supported and funded by some of the largest and most powerful corporations in their assault against social movements on the left to prevent the emergence of socialism against global capitalism As the crisis of neoliberal global capitalism unfolds and as we move to the brink of another economic crisis and the threat of war global capitalism is once again resorting to authoritarianism and fascism to maintain its power This book addresses this vital question in comparative historical perspective and provides a series of case studies around the world that serve as a warning against the impending rise of fascism in the 21st century **Elites, Paradigm and Change in Transnational Perspective** Rudranand Thakur,M. K. Gaur,1988 Contributed articles Institutional Crisis in 21st Century Britain David Richards,2014-04-23 In 21st century Britain a perfect storm seems to have engulfed many of its institutions This book is the first wholesale consideration of the crisis of legitimacy that has taken root in Britain's key institutions and explores the crisis across them to determine if a set of shared underlying pathologies exist to create this collective crisis **Nommo** ,1990 A Turbulent Voyage Floyd Windom Hayes,1992 Women Lawyers' Journal ,1982 Includes lists of members of the association *Bulletin of the Public Affairs Information Service* Public Affairs Information Service,1982 **Choice** ,1998 **Middle and Late Life Transitions** Felix M. Berardo,1982 The articles in this volume reflect a reorientation in the ways that scientists have viewed human growth and development In this new perspective transitions are viewed as normal situations that are likely to confront anyone Whatever the situation each transition encompasses a bridging period often characterized by feeling of uncertainty and instability During this interval the person engages in various degrees of social and psychological adaptations to the changing situations in his or her life While such transitional processes have long been characteristic of the human condition it is only in recent years that social and behavioral scientists have begun to rectify out limited knowledge concerning how people and families negotiate a wide array of mid and late life transitions The current preoccupation with the transitions of middle and old age has evolved from several historical economic and demographic changes that have combined to shift our populations toward the middle of the age structure and have produced new stages into the life cycle The result is that today most Americans can expect to pass through these new stages including long term survival the empty nest period universal

retirement and an extended term of widowhood in late life characterized by solitary living Many of these changes have in common that they involve periods of imbalance often accompanied by strong emotions Lives must be restructured adaptations made and modifications in both mental and physical behavior must occur The descriptions of these transitions and the process by which adaptations to them are made are the subjects of the articles in this issue **Public Affairs Information Service Bulletin** Public Affairs Information Service,1982 **Problems of Government** , A London Bibliography of the Social Sciences ,1931 Vols 1 4 include material to June 1 1929 **AB Bookman's Weekly** ,1998 The Western Journal of Black Studies ,1977 **The Philosopher's Index** ,1983 Vols for 1969 include a section of abstracts
