New Girl Wondergirls:

Wonder Girls Catherine Jones, 2012-06-07 An enchanting and uplifting tale of love friendship and the wondrousness of women for wonder girls of all ages Don t follow the crowd she d be telling schoolgirls at the swimming baths Follow your own star and when you have achieved your goal you will have that with you for the rest of your life In 1928 a plucky young Welsh girl named Ida Gaze swims the Bristol Channel with the help of her best friend Freda and the inspiration of her heroine Amelia Earhart In 1937 on the instructions of the matron a young skivvy at a grand maternity hospital in London smuggles out an orphaned baby on one of the coldest nights of the year Now in a small town in Wales an old lady named Ceci pieces together these stories and is about to discover the surprising ways in which they link to her own It begins with two girls in the twenties who left their small Welsh village for the Big Smoke feeling that the world was changing and everything was possible An imaginative tour de force moving and well written and the characters are superb Daily Mail Sparkling deceptively light Jones s warmth and deft characterisation shine out Guardian An impressive debut Bookseller [The Wonder Girls](#) J.M. Carr, 2019-10-04 Unlikely friends despicable villains and deadly peril can a renegade gang stop the Blackshirts sending orphans to Hitler The Wonder Girls is a kick ass historical adventure with kindness inclusion and hope at its heart ENGLAND 1936 The Blackshirts are marching and Londoners are on the streets resisting them In the chaos a terrified golden haired girl pulls street thief Baby from certain death But Blackshirts overpower them and seize the girl Baby tracks the Blackshirts to the coast where she finds a railway carriage hidden in brambles a gang of renegade girls and thirteen year old Ida trying to protect her golden haired little sister The Wonder Girls is a fast paced full hearted total romp of an adventure The story starts with Baby being saved from the crush of a Blackshirts march by a golden haired angel of a girl who promptly gets kidnapped by sinister grown ups in a fancy car Baby fiercely loyal and warm hearted determines to save her Goldilocks girl she and Fingers set off from London to the south coast town of Nettlefield in hot pursuit of Baby s saviour Meanwhile Ida is trying to come to terms with the fact her Mum is soon to die while also worried sick about losing her little sister Bonnie to the terrifying and mysterious Nettlefield Grange Orphanage run by Mrs Bullar Alone neither Baby nor Ida are equipped to deal with the reality of what s going on in the orphanage Together with the help of a cast of marvellously colourful characters they might just stand a chance Any child who loves stories of adventure chutzpah and heart will rattle through this book and be desperate for more In short The Wonder Girls is a real winner of a book Georgina Lippiet in common co uk This story is full of heart racing moments incredible bravery and girl power in the face of fascism I was gripped from the first chapter and my heart was pounding not daring to turn the page at some points but always feeling that I wanted more It is a fabulous story and I have high hopes for it in this golden age of Children s fiction Erin Lyn Hamilton myshelvesarefull wordpress com an engaging and dramatic read which is crying out to be adapted for children s TV Julie Ballard on Goodreads I read an early draft of this was BLOWN AWAY Can t wait to read the full story Emma Carroll on

Twitter Glorious and life affirming girl power 1930s style These girls will wriggle their way into your heart Sue Wallman author Egmont The Wonder Girls is a delightful adrenaline filled adventure that shines a light on a very dark aspect of British history whilst bringing a good dose of fun with its eccentric cast yet not shying away from difficult themes In The book J M Carr expertly balances the emotional personal stories of the individual characters and peril whilst maintaining a historical setting that is so real it is almost tangible Sally Poyton Space on the Bookshelf blogspot com it is the focus on family friendship and loyalty that makes a lasting impression Throughout the interwoven story lines of Baby Fingers and Sophie at the start and following Ida Barnes next the whole tale is fundamentally warmhearted There is peril and girl power and fascist louts but the core is both humane and full of hope K M Lockwood kmlockwood com writersreviews

The Wonder

Girls Resist J.M. Carr,2021-10-04 A cast of thousands despicable villains and an unexpected reunion with disastrous consequences ENGLAND 1937 4000 child refugees from The Spanish Civil War are due to arrive at Southampton Docks Sixteen year old aspiring doctor Letitia is determined to help with the rescue effort Most of the children are taken to a camp north of the town but some under the care of a teacher called Easton Fitzgerald are billeted at Nettlefield Grange Orphanage Baby is sure the Blackshirts are putting kids in peril again have they jumped from the frying pan into the fire Baby and the other Wonder Girls must work out what the fascists are really up to and to prevent a Nazi invasion persuade Letitia to value what she s actually good at This sequel is astounding I read The Wonder Girls in 2019 and was floored by the plots and the characters A diverse group of girls find family together within Nettleford Orphanage All from different backgrounds and experiences these girls come together to fight a common enemy Hitler s Blackshirts The town seems to be crawling with these Hitler supporters and though The Wonder Girls got rid of a few The Wonder Girls Resist will see a new plot unfold and familiar trusted friends be doubted New characters are introduced and quickly become part of the gang foiling small parts of a larger plan Each chapter enlightens the reader to the plots unfolding and the plans being created highlighting the bravery of each young child whether a refugee or orphan They all gather together and work for the greater good The characters are wonderfully written especially the courage of each girl They learn about their own capabilities and skills while helping each other out of dangerous and plot thickening situations I really like JM Carr s style of writing and feel that she has created a fast paced adventure with plenty of twists turns and turncoats to keep the reader guessing I like the perspective of this book on WWII and the role that ordinary citizens played when faced with a Hitler supporter in their own community Often books set during the wars focus on the Blitz the resistance movement or Holocaust This small community is rocked in a different way and I feel that many readers will experience this new perspective and it will raise some questions about Blackshirts and their role Erin Lyn Hamilton myshelvesarefull com
