Are You Not Entertained? Lindsay Steenberg,2020-10-29 Anglo American culture is marked by a gladiatorial impulse a deep cultural fascination in watching men fight each other The gladiator is an archetypal character embodying this impulse and his brand of violent and eroticised masculinity has become a cultural shorthand that signals a transhistorical version of heroic masculinity Frequently the gladiator or celebrity fighter from the amphitheatres of Rome to the octagon of the Ultimate Fighting Championships is used as a way of insisting that a desire to fight and to watch men fighting is simply a part of our human nature This book traces a cultural interest in stories about gladiators through twentieth and twenty first century film television and videogames

The Life of a Gladiator Ruth Owen,2015-01-01 In ancient Rome highly trained gladiators faced each other in the Colosseum and fought to the death for the entertainment of thousands of spectators How did a man
