with their Golden buddy it was not long before we had 2 more young boys to share the love of their siblings and to learn what happiness can be experienced with a canine family member We would then go on to have a new Golden or more every 8 10 years much to everyone s pleasure Each new Golden addition was different and entertaining and was a very important element in the development of all of the children As the years went by and the youngsters grew up and went away to school new dogs entered the picture and each one affected our family in a unique manner I tried to recount as many of the highlights of each dog s life and how they related to our own experiences as I could There were truly wonderful happy times as well as some tragic moments that every family has to live through When we finally attended our fourth college graduation and everyone was now on their own we looked at each other and thanked God for all of the good fortune and health that he had bestowed on us All four of the children were happily married and now have 11 grandchildren for us to spoil As the house population thinned out whichever dog was present surely must have wondered where they were going to The good news for us however was that we could retire and spend more time with each other as well as with our understanding affectionate Golden pals We moved to Florida with our Golden shadows and have been living here 9 months of the year with them In 2005 we reached our Golden Wedding Anniversary and in 2006 we celebrated our 50th Golden Golden Retriever Anniversary These were both magnificent achievements 2006 also ended our 50 Golden Years as our last love Princee too died We really do expect to start another life with a new Golden or two but for now I will just write about them
