# THE NEW INTERPRETERS' STUDY BIBLE

## NEW REVISED STANDARD VERSION WITH THE APOCRYPHA

Walter J. Harrelson, *General Editor*

Donald Senior, Abraham Smith,

Phyllis Trible, James C. VanderKam, *Associate Editors*

The New Interpreter's® Study Bible is for all students of the Bible and is designed to enrich our understanding and deepen our encounter with the Scriptures of the Old Testament, the New Testament, and the Apocrypha. By using accessible language, it combines scholarly accuracy and insight with attention to questions that students of the Bible encounter in their personal reading and devotion, as well as in their study, teaching, and preaching. The New Interpreter's® Study Bible unites scholars from diverse traditions, academic backgrounds, and life experiences in the common task of helping readers in the church, the seminary, and the academy more deeply understand the significance of the Bible for faith and practice.

"Of the current editions of Study Bibles, in my opinion the most helpful for pastors, teachers, and all students of the Scriptures has now been issued by Abingdon Press."

— Bruce M. Metzger, Princeton Theological Seminary

"By providing a wealth of information, from simple cross-references to excursions that concisely summarize important themes, this Study Bible provides valuable assistance for serious reading of the Bible itself. All users, whether they already 'know their Bible' or are just now getting acquainted with it, will find their understanding of Scripture enriched."

— Leander E. Keck, Yale Divinity School

"An excellent Study Bible. Read the sacred texts. Let the scholars guide you into an even deeper understanding of the Scriptures."

— Richard Wilke, cowriter of *Disciple Study Manuals*

Bible will be pleased to find this resource the quality of scholarship that is a hallmark of other New Interpreter's Bible resources. The portability, accessibility, and affordability of the one volume commentary will appeal to professors and students as well as lay persons and pastors. The One Volume commentary replaces the original Interpreter's One Volume Commentary on the Bible (Charles Laymon, ed. Abingdon Press, 1971) which went through its fifteenth printing in 1994. Like the original, the new volume will contain articles on all the books of the Bible including the Apocrypha as well as numerous general articles on biblical interpretation, geographical and historical setting, literary criticism, religion, text, canon, translation, Bible and preaching, teaching, with bibliographies for each article. Extra value includes chronology, timeline, table of measures, and table of money, a subject index, and will be one of the only one volume commentaries on the market to contain a scripture index. A dust jacket is included. This one volume commentary was specifically requested by seminaries in the United Methodist Church who have agreed to coordinate or standardize the curriculum for the Local Pastors Schools. Attendees of the Local Pastors School are trained over a five year period to serve in thousands of small churches. The seminaries have determined that one part of the curriculum is to be a New Interpreter's Bible line of books; these include the Study Bible, already published; a One volume Commentary recently published; and an Atlas to be proposed. Presbyterians and Baptists also have bi-vocational pastors who use similar tools so that these groups will benefit from the development of this New Interpreter's Bible One Volume Commentary. Old Testament Editor: Dr. David L. Petersen, Professor of Old Testament. Professor Petersen is a distinguished Old Testament scholar. His current research focuses on the book of Genesis and on prophetic literature. During 2004 Petersen served as president of the Society of Biblical Literature. An ordained Presbyterian minister, Dr. Petersen has written, coauthored, or coedited a number of scholarly and popular books and articles. He was the senior Old Testament editor for The New Interpreter's Bible. New Testament Editor: Dr. Beverly Roberts Gaventa, Professor of New Testament Literature and Exegesis. Professor Gaventa is also a member of the advisory board for the New Testament Library, a new commentary series for Westminster John Knox Press; editor of the Society of Biblical Literature's Resources for Biblical Studies; and a member of the editorial board of its Journal of Biblical Literature and associate editor of the Catholic Biblical Quarterly.

**Preaching Christ from Ecclesiastes** Sidney Greidanus, 2010-05-03 As Sidney Greidanus points out, the biblical book of Ecclesiastes is especially relevant for our contemporary culture because it

confronts such secular enticements as materialism, hedonism, cut-throat competition, and self-sufficiency. But how can preachers best convey the ancient Teacher's message to congregations today? A respected expert in both hermeneutics and homiletics, Greidanus does preachers a great service here by providing the foundations for a series of expository sermons on Ecclesiastes. He walks students and preachers through the steps from text to sermon for all of the book's fifteen major literary units, explores various ways to move from Ecclesiastes to Jesus Christ in the New Testament, and offers insightful expositions that help the preacher in sermon production but omit the theoretical and often impractical discussions in many commentaries.

**Echoes of Scripture in the Letter of Paul to the Colossians** Christopher A. Beetham, 2009-01-31 While the use of the Old Testament in the New Testament has captured the attention of biblical scholars over the years, no study

has been devoted to the presence of Scripture in Colossians largely because there are no explicit quotations in Colossians.

With the introduction of literary intertextuality into the discipline however scholars have begun to devote more attention to the NT authors less explicit references to Scripture often labelled as allusions and or echoes Scholars however continue to debate what constitutes an allusion or echo or how one validates a given proposal as such This study proposes new definitions of these terms and offers a methodology on how to detect and validate them using Colossians as a test case

**The Left Behind Fantasy** William Powell Tuck,2010-02-18 The popular Left Behind series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading of many scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the Left Behind books critiquing them in the light of genuine biblical scholarship and common sense
