New Liberalism:

The New Liberalism Peter Weiler, 2016-07-15 This title first published in 1982 explores the new Liberalism the great change in Liberalism as an ideology and a political practice that characterised the years before the First World War and examines the idea that the new Liberals successfully overcame the need they saw in the 1890 s to make Liberalism more socially reformist This title will be of interest to students of social and political history **The New Liberalism** Michael Freedman, 1978 This book challenges accepted views about the development of liberal thought around the turn of the century and throws new light on many of the ideas that have shaped our politics this century **The New Liberalism** Jeffrey M. Berry, 2010-12-01 If you think liberalism is dead think again In this sure to be controversial book Jeffrey M Berry argues that modern liberalism is not only still alive it s actually thriving Today s new liberalism has evolved from a traditional emphasis on bread and butter economic issues to a form he calls postmaterialism quality of life concerns such as enhancing the environment protecting consumers or promoting civil rights Berry credits the new liberalism s success to the rise of liberal citizen lobbying groups By analyzing the activities of Congress during three sessions 1963 1979 and 1991 he demonstrates the correlation between the increasing lobbying activities of citizen groups and a dramatic shift in the American political agenda from an early 1960s emphasis on economic equality to today s postmaterialist issues Although conservative groups also began to emphasize postmaterial concerns such as abortion and other family value issues Berry finds that liberal citizen groups have been considerably more effective than conservative ones at getting their goals onto the congressional agenda and enacted into legislation The book provides many examples of citizen group issues that Congress enacted into law successes when citizen groups were in direct conflict with business interests and when demands were made on behalf of traditionally marginalized constituencies such as the women s and civil rights movements Berry concludes that although liberal citizen groups make up only a small portion of the thousands of lobbying organizations in Washington they have been and will continue to be a major force in shaping the political landscape **New Liberalism** John Allett, 1981-12-15 John A Hobson was a prominent member of a small band of British radicals who argued around the turn of the century that the consistent application of liberal ideas required the reorganization of capitalist societies along socialist lines Allett here suggests that their march toward socialism was marked by a caution not overly to damage the liberal heritage of their forefathers and yet to provide a philosophical foundation for the creation of the welfare state justified on the basis of right and efficiency The author emphasizes Hobson s doctrine of imperialism and the related theory of under consumption for which he is best known while arguing that the lesser known of Hobson s doctrines which the author describes as the organic theory of surplus value is essential to a full appreciation of the coherence of Hobson s thought Allett compares the analyses of Hobson Adam Smith J S Smith the Webbs T H Green Bosanquet Marx Lenin Keynes and Hobson s comrade in arms L T Hobhouse and puts in perspective the dismissive critiques of those contemporary scholars who claimed that Hobson s work is

value laden simplistic and contradictory This study presents an integral analysis of the life times and thought of a profound and original thinker whose legacy to social democratic thought has yet to be fully appreciated **The Liberal Yearbook** ,1926 The Liberal Year Book ,1924 **Nation** ,1921 **The New Liberalism** Avital Simhony,David Weinstein,2001-08-23 Essays on new liberalism demonstrate that liberalism can accommodate community rights and liberty **The Fortnightly Review** ,1876 **Roots of Crisis: American Education in the Twentieth Century** Clarence J.
