PEARLS OF WISDOM, SECOND EDITION

*Paramedic Pearls of Wisdom* is a collection of rapid-fire questions and answers to help students prepare for paramedic state and national certification and refresher exams. It consists of "pearls"—succinct pieces of knowledge in a question and answer format. Designed to maximize test scores, *Paramedic Pearls of Wisdom* pinpoints complex concepts down to the simplest kernel.

*Paramedic Pearls of Wisdom* is written in direct correlation to the U.S. DOT 1998 EMT-Paramedic National Standard Curriculum. Objectives are covered in the order and manner in which they appear in the curriculum.

This is an excellent study guide for paramedic students going through initial or refresher paramedic training.

#### Unique Learning Format

This is an interactive text, set up in a format that encourages active learning. Unlike multiple-choice formats, this study aid requires the student to come up with the answer. Questions are followed by answers consisting of additional information to enhance learning. Emphasis has been placed on evoking both trivia and key facts that are easily overlooked, but which appear on certification exams.

#### Features

*Paramedic Pearls of Wisdom* offers additional features that bring the beginner paramedic student to the next level:

- **Voices of Experience:** Each module opens with a vignette from a seasoned paramedic about lessons from the field.
- **Module Quizzes:** Each module concludes with a multiple-choice quiz similar to national certification exams, allowing students to test themselves in a standard testing format.
- **Mass Casualty and Weapons of Mass Destruction:** Exceeds the U.S. DOT 1998 EMT-Paramedic National Standard Curriculum with a chapter dedicated to mass-casualty incidents and weapons of mass destruction.

## Paramedic Pearls Of Wisdom:

**Paramedic Pearls of Wisdom** Guy Haskell,2004 The unique format of this book differs from all other review and test preparation texts The primary intent of the book is to serve as a study aid to improve performance on paramedic certification and refresher examinations With this goal in mind the text is written in rapid fire question answer format The student receives immediate gratification with a correct answer Misleading or confusing multiple choice foils are not provided thereby eliminating the risk of assimilating erroneous information that made an impression Questions themselves often contain a pearl reinforced in association with the question answer Additional hooks are often attached to the answer in various forms including mnemonics evoked visual imagery repetition and humour Additional information not requested in the question may be included in the answer Paramedic Pearls of Wisdom Guy H. Haskell,2005-11 Paramedic Pearls of Wisdom Second

Edition is a collection of rapid fire questions and answers to help students prepare for paramedic state and national certification and refresher exams It consists of pearls succinct pieces of knowledge in a question and answer format Designed to maximize test scores Paramedic Pearls of Wisdom prunes complex concepts down to the simplest kernel Paramedic Pearls of Wisdom is written in direct correlation to the U S DOT 1998 EMT Paramedic National Standard Curriculum Objectives are covered in the order and manner in which they appear in the curriculum This is an excellent study guide for paramedic students going through initial or refresher paramedic training

## **EMT Basic Pearls of Wisdom**

Robert C. Krause,Guy Haskell,Scott H. Plantz,Jonathan Adler,William Gossman,1999-05 The primary intent of this book is to serve as a study aid to improve performance on EMT Basic certification and refresher examinations With this goal in mind the text is written in rapid fire question answer format The student receives immediate gratification with a correct answer Misleading or confusing multiple choice foils are not provided thereby eliminating the risk of assimilating erroneous information which made an impression Another advantage of this format is that the student either knows or does not know the answer to a given question This results in active learning rather than the passive learning of studying multiple choice questions

*Pathology Medical Student* Cory A. Roberts,2004 This book will help you to learn about pathology as well as prepare for the pathology USMLE board examination This book is structured in a question and answer format This permits the reader to concentrate on areas of interest or weakness Some readers will find answering questions the preferred way to study for a board exam After completing a Pearls chapter these readers are encouraged to examine the corresponding textbook chapter entirely for comprehensiveness Most readers will probably use this book in a post textbook review mode One such method involves reading a chapter in a textbook then proceeding to answer the questions posed in this book Other readers will prefer to comprehensively study the contents of a pathology text entirely and use this book afterwards The purpose of the last two methods is to permit the reader to uncover areas of weakness and to become familiarised with the process of answering questions Answering questions during a board exam is a cognitive task that is optimised by preparing a

specific set of cognitive skills      **MCAT Review** Michael Donnino,Paul Tischhauser,Robert Donnino, M.D.,Robert Donnino,2004 This book offers a unique style and format which has been well received by hundreds of students preparing for the MCAT exam The format allows for a rapid and concise refresher on pertinent information It is also practical and efficient because it gets right to the point Unlike most multiple choice review books each question is quickly answered with just the right answer so the student won't be confused or misled with other possible answers Primarily intended as a study aid the text is written in a rapid fire question answer format This way readers receive immediate gratification Questions themselves often contain a pearl intended to reinforce the answer Additional hooks may be attached to the answer in various forms including mnemonics visual imagery repetition and humour Additional information not requested in the question may be included in the answer Emphasis has been placed on distilling trivia and key facts that are easily overlooked and or quickly forgotten yet somehow seem to be needed on the MCAT and similar examination

### **Critical Care Pearls of Wisdom**

Richard Lenhardt,Jonathan Adler,Scott H. Plantz,1998      *Critical Moments: Paramedic Heroes in Action* Abdularhman Fahad Alshlawai ,Nasser Mutlaq Albaqami,Moamar Swilem Alamri, Emergencies happen in less than a performer and during those few seconds paramedics can be the difference between death and life They are the unknown warriors rushing into the chaos making life altering decisions in two seconds or less carrying the fate of the world on their backs Critical Moments In the Line of Duty is a tribute to the courage tenacity and unbreakable spirit of paramedics and their unwavering dedication to saving lives Paramedic noun An advanced medical professional who provides out ofhospital care with a particular focus on preparing patients for emergency services This book is a journey into the immeasurable and inexplicable world of paramedicine from a first hand perspective high in the direct path of the work fluidly called the front lines Using first hand accounts expert perspective and commentary from paramedics reacting to news coverage of their stories we unpack the intense emotive and at times disturbing realities of their work Good people are often trapped from rolling highway crashes to a physician's sudden cardiac arrest to a mall from a floor for delivering babies to a family in its worst hour of grief this is the paramedic's story But this text is not just a compilation of tense rescues The docuseries explores the toll of the work both psychological and physical the ethics involved in the field and the way paramedics have changed over the years as part of the ever evolving landscape of healthcare The book emphasizes on the innovations and policies and systemic changes that play a central role in influencing emergency medical services even today

### **Pulmonary Pearls of Wisdom** Richard

Lenhardt,1998 This book is structured in a question and answer format Such a format is most useful in certain situations It is useful to enable one to assess strengths and weakness in a particular area before starting a rotation in pulmonary medicine or a board exam review This permits the reader to concentrate on areas of interest or weakness Most readers will probably use this book in a post textbook review mode One such method would involve reading a chapter in a textbook then proceeding to answer the questions posed in this book Other readers will prefer to comprehensively study the contents of

pulmonary medicine entirely and use this book afterwards The purpose of the last two methods is to permit the reader to uncover areas of weakness and to become familiarised with the process of answering questions Answering questions during a board exam is a cognitive task which requires different faculties than reading a textbook The chapters are organised to include all aspects of pulmonary medicine The questions within each chapter are randomly presented to simulate board exams and the way questions arise in real life General Chemistry David Clark,2004 Chemistry Cardiology Pearls of Wisdom Michael Zevitz,1999 Primarily intended as a study aid the text is written in rapid fire question answer format This way readers receive immediate gratification Moreover misleading or confusing foils are not provided This eliminates the risk of erroneously assimilating an incorrect piece of information that makes a big impression Questions themselves often contain a pearl intended to reinforce the answer Additional hooks may be attached to the answer in various forms including mnemonics visual imagery repetition and humour Additional information not requested in the question may be included in the answer Emphasis has been placed on distilling trivia and key facts that are easily overlooked that are quickly forgotten and that somehow seem to be needed on board examinations Pediatric Nurse Practitioner Sharon M. Krieger,Jonathan Adler,2004-03 Primarily intended as a study aid this text is written in rapid fire question and answer format This way readers receive immediate gratification Moreover misleading or confusing foils are not provided This eliminates the risk of erroneously assimilating an incorrect piece of information that made a big impression Questions themselves often contain a pearl intended to reinforce the answer Additional hooks are often attached to the answer in various forms including mnemonics evoked visual imagery repetition and humour Additional information not requested in the question may be included in the answer Emphasis has been placed on distilling trivia and key facts that are easily overlooked that are quickly forgotten and that somehow seem to be needed on board exams Paramedic Practice Today: Above and Beyond: Volume 1 Aehlert,Robert Vroman,2011 Providing the tools you need to succeed the two volume set of Paramedic Practice Today Above and Beyond offers a solid foundation for paramedic practice and is now updated to reflect the 2010 emergency cardiovascular care guidelines A conversational easy to read style simplifies topics and helps you master National Standard Curriculum objectives and meet the new National Education Standards Each volume includes a companion DVD ROM with step by step videos demonstrating the skills in the textbook and more Because this two volume set corresponds to the National Registry of EMTs National EMS Practice Analysis it provides you with the best possible preparation for the National Registry exam Publisher s website **Physical Medicine & Rehabilitation** Robert J. Kaplan,2003 Given the requirement to maintain certification within the speciality of Physical Medicine and Rehabilitation concise compendiums of the curriculum of PM R are an asset The proliferation of PM R journal and book publications testifies to the growth of the speciality in regard to our workforce as well as our clinical knowledge base The format and content of this edition is derived from the ABPM R outline certification booklets The review book does not reproduce the outline contents in a rigid construct The

structure of the book contents and format are intended to survey the curriculum contents of PM R in a coherent and meaningful manner The book will likely be of value as well to PM R residents preparing for their written and oral certification examinations    **Toxicology** Michael I. Greenberg,2002 Exam review to aid the reader in passing toxicology course exams and boards

**The Poisons Quiz Book** John Harris Trestrail,2001 This book will help you to learn some medicine Originally designed as a study aid to improve performance on the Inservice and Written Board exams this book is full of useful information Primarily intended as a study aid the text is written in rapid fire question answer format This way readers receive immediate gratification Moreover misleading or confusing foils are not provided Additional hooks may be attached to the answer in various forms including mnemonics visual imagery repetition and humour Additional information not requested in the question may be included in the answer Emphasis has been placed on distilling trivia and key facts that are easily overlooked that are quickly forgotten and that somehow seem to be needed on board examinations

**Emergency Medicine** William G. Gossman,Scott H. Plantz,Jonathan Adler,2000    *Gastroenterology and Hepatology* John K. DiBaise,2000 Primarily intended as a study aid this text is structured in a question and answer format Most of the questions are short with short answers This is to facilitate moving through a large body of information Such a format while quite unlike the format used in the actual Board Examination is useful to enable you to assess your strengths and weaknesses in a particular area This allows you to concentrate further studies on areas of interest or weakness Emphasis has been placed on distilling trivia and key facts that are easily overlooked that are quickly forgotten and that somehow seem to occur frequently on board examinations The chapters are organised to include all aspects of gastroenterology and hepatology

**Nursing NCLEX-RN** Sheryl L. Gossman,William G. Gossman,1999 You are now entering the final phase of your Nursing Education preparing to take the NCLEX RN National Council Licensure Examination for Registered Nurses Exam Most nursing students look upon this exam with extreme anxiety and frustration How can one possibly learn all that is necessary to pass this exam This book is a good step towards that process The book has been designed to help you to improve your performance on the NCLEX RN exam as well as help you identify some weak areas in your nursing knowledge The format of the book is different than most of the common NCLEX RN preparation review books in that you are not asked to select the best answer Instead the answer is provided for you This is an interactive book designed to be used many times over Test your knowledge by going through the book more than once and learn from your mistakes Using this book in a group setting may also be helpful Each individual in the group can determine their answer and then as a group compare If there are discrepancies look up the answer and determine why the answer is correct or incorrect

**Emergency Medicine Written Board Review: Pearls of Wisdom, Sixth Edition** Scott H. Plantz,Dwight Collman,William G. Gossman,Michael L. Lambert,Amalia S. Carlos,2005-10-10 Question and single answer format eliminates the guesswork associated with traditional multiple choice Q

A reviews and reinforces only the correct answers needed on exam day Emphasis is placed on distilling key facts and clinical

pearls essential for exam success This high yield review for the emergency medicine written board review is designed to compliment larger texts for intense streamlined review in the days and weeks before the exam *Pathology* Cory A. Roberts, Boston Medical Publishing, 2002 This book will help you learn about pathology as well as prepare for the pathology board examination This book is structured in a question and answer format This permits the reader to concentrate on areas of interest or weakness Most of the questions are short with short answers This facilitates moving through a large body of knowledge Some of the questions have longer answers In these situations the questions were not altered because of the clinically interesting question posed Certain topics have been repeated in a single chapter and across chapters This was intentional Some topics are so important to a practitioner that repetition was utilised as a learning tool Each question is preceded by two boxes to permit the reader to check off areas of interest weakness or simply noting that it had been read This allows for re reading without having uncertainty of what was reviewed earlier
