Parameters Man Media Mosaic:

Parameters Marshall William Fishwick, 1978 **Polpop** James E. Combs, 1984 This book discusses various components of popular culture and the effects they have on politics Some of the areas of mass culture which are discussed are popular dramas folk heritage the Western myth sports religion media propaganda and show business **Daytime Television Game Shows and the Celebration of Merchandise** Morris B. Holbrook, 1993 Insights into the nature of the consumer society and its ethos of consumption can often emerge from interpreting even the most lowly specimens of popular culture In this spirit a neglected genre that promises to shed light on the culture of consumption appears in the form of the daytime television game shows whose hegemonic message seems to convey and to justify a widespread obeisance to the mandate of materialism These game shows often present a text that demands a readerly monosemic dominant interpretation as an unabashed celebration of merchandise In particular a close analysis of the longest running game show *The Price Is Right* suggests that all facets of this program combine to reinforce its central meaning as a ritualistic validation of consumption oriented greed An alternative resistant reading is explored but rejected in part because it rests on an assumption that violates the empirical data and in part because it provides a more convincing analysis of a program like *Supermarket Sweep* In short the present study concludes that TV game shows in general and *The Price Is Right* in particular reflect and reinforce the obsession that many modern consumers feel with merchandise valued almost for its own sake beyond any need or even capacity to use it as a kind of disembodied target of misdirected desire **National Union Catalog** ,1981 Includes entries for maps and atlases
American Popular Culture John Dean, 1992 *Objects of Special Devotion* Ray Broadus Browne, 1982 This book demonstrates the importance of the study of fetishes and fetishism in the study of popular culture Some of the essays cover rather conventional manifestations in the world today others demonstrate the fetishistic qualities of some unusual items But all illustrate without any doubt that like the icon the ritual and many other items in society fetishes fetishism and fetishists must be studied and understood before we can begin to understand the complexity of present day society The Global Village Ray Broadus Browne, Marshall William Fishwick, 1999 Offers 15 essays discussing the meaning of Marshall McLuhan's global village in a world witnessing explosive forces of individualism tribalism and nationalism Topics include lessons from the Blackburg electronic village MTV's global footprint missionaries in a global village and the Swedish raggare subculture Includes bandw photos No index Paper edition 772 1 24 95 Annotation copyrighted by Book News Inc Portland OR
