Pardon And Peace:

Pardon and Peace Alfred Wilson, 2005* **Pardon and Peace** Alfred Wilson C.P., 2016-10-21 Laymen's Guide to getting the full spiritual and mental benefits from Confession Father Alfred Wilson a pastor of souls and popular spiritual writer wrote that the psychological benefits of Confession are of a piece with its moral benefits and can only be fully enjoyed when the penitent approaches the sacrament in the proper spirit In *Pardon and Peace* originally published back in 1946 Father Wilson captivated audiences with insights like these Find yourself confessing the same sins over and over Here's the reason and helpful advice Types of inaccurate confession If your examination of conscience tends to be a lengthy ordeal then here's what you're doing wrong Two chief considerations for weighing the gravity of a sin Three conditions that must be present for a sin to be mortal Four guidelines for confessing venial sins Common excuses for avoiding Confession How to confess a sin of impurity Nothing to tell You might not be searching properly Answers all your questions and not only that any others you could possibly think of about Confession Caryll Houselander A clear sound eminently sensible exposition of the why and how of one of Christ's often neglected sacramental gifts Both Catholics who seldom approach this sacrament and Catholics for whom it is an established part of their spiritual lives will find a lot that is helpful and inspiring here as will priests and catechists Russell Shaw Author *Why We Need Confession* An intelligent and compassionate explanation of the Sacrament of Reconciliation and of all aspects of penance and the forgiveness of sin Very helpful for younger Catholics for older Catholics and questioning non Catholics Fr Benedict Groeschel CFR Author *Arise from Darkness* **Pardon and Peace** Francis Randolph, 2009-09-03 Fr Francis Randolph presents a very positive and practical understanding of the immense value of the sacrament of confession for the modern Catholic Father Randolph helps the reader to see how the sacrament of confession meets the deepest needs of the penitent on the spiritual emotional and psychological levels Step by step we follow the different stages of the rite looking at the various elements of the sacrament and what they mean for the average sinner in the box The author draws on his own experiences on both sides of the grille to explain what is actually happening in this sacrament and why it is so helpful for growing in the love of God and neighbor Because of so much recent confusion over the nature and purpose of the sacrament the book tackles the common objections and anxieties over confession and recommends frequent confession for getting rid of stress and anxiety and growing in confidence before God *Pardon and Peace* A.
