**Parenting from Your Heart** Inbal Kashtan,2004-09 The challenges of parenting are addressed with real world solutions that meet the needs of all family members      **I Heart Parenting** H. Wallace Webster,2012-10-18 If you have ever looked into the eyes of a parent who is heartbroken over a wayward child then you have seen one of the worst types of pain imaginable When the parent comes to that point there is little you can do As a pastor I have seen that look in far too many parents eyes I have prayed with them cried with them and listened to them as they shared their pain This book is written to help keep parents from ever having to endure that pain If you can capture the hearts of your children early it can prevent them from breaking your heart later That battle is worth waging and it can be won Learn how to win the hearts of your kids to the Lord so that He may use them for His glory and your joy      *Parenting from Your Heart* Norman Shub,2004-03-01 This

guide is not an instruction manual As a parent you need to understand that a manual offering tactics and specific steps to take in specific situations would not help you Rather I offer you a guiding philosophy that will inform you and allow you to meet each situation with a set of principles that will help you guide your behavior It will help you the parent understand and develop the skills necessary to be a successful parent Those skills are the ones that parents need to possess in order to open that channel or to create that connection between them and their children Lastly this guide involves your willingness as a parent to focus on yourself rather than studying a set of specific ideas to follow by rote in specific situations I want you to focus on yourself When something goes wrong or when the parents are confused they focus on the child They try to devise strategies for dealing with their children Most parents find this is an extremely frustrating experience Our goal is to redirect parents attention away from devising strategies for dealing with their children It is to get them thinking more about themselves and the changes that they need to make in order to be the parents they want to be The more that you learn about yourself the more the experience between you and your child will be a meaningful one      **Shepherding a Child's Heart:**

**Parent's Handbook** Tedd Tripp,2001-07-01 The Shepherding a Child s Heart Parent s Handbook is not just a fill in the blank study guide that rehearses the material in Shepherding a Child s Heart In the ten years since the publication of Shepherding Tedd Tripp has had the opportunity to teach on childrearing to thousands of young parents across the country and in many other parts of the world That coupled with ten years of insights into God s Word on the subject has resulted in a broader and deeper understanding of the content and application of Shepherding a Child s Heart Here are questions about the meaning and application of Scripture texts to the challenges of shepherding children      **Parenting Is Heart Work** Scott

**Your Child Leader** Darryl Bodkin, 2013-05-24. Darryl Bodkin has written a wonderful treatise on child development and leadership. He writes from a child's perspective on parenting and provides invaluable insight on the subject of leadership growth and development. When I was 11 years of age, my life was torn apart by the loss of my father in a tragic construction accident. It was a defining moment for me. Fortunately, my godly grandmother sat down with me and told me that I had to be the leader in our home since I was the oldest child. From that moment, leadership was thrust upon me. Reading this book has caused me to reflect on that landmark day in my own childhood when I started on a leadership journey. I commend Darryl Bodkin's book to you for your enjoyment and personal growth. I believe every parent who reads it will benefit from the lessons taught on parenting and will gain an understanding of how to encourage the development of leadership qualities in children. Proverbs 3:5-6 is a sterling reminder of the potential for vital Christian leadership within every child that is born into God's big world. Dr. Stan A. Jeannie has given parents a profound gift within its pages. Kathie Lee Gifford, actress, singer, playwright, songwriter and cohost of the Today Show's Fourth Hour: Your kids aren't perfect. Do you ever wonder how did these precious children get stuck with a parent like me? If so, let these grace-drenched pages saturate your heart with God's unfailing love while also equipping you to be a vessel of God's unconditional love to your children. With authenticity, conviction and a lively sense of humor, Jeannie guides you on a transformative journey into raising wholehearted, not perfect children who live from the freedom found in being wholeheartedly loved and liked by God. *Parenting the Wholehearted Child* equips you with biblical wisdom and practical ideas to teach your children that they are fully accepted by God, not because of anything they do or don't do, but because of everything Jesus has already done for them. Woven throughout the book is the good news that it is God's extravagant grace, not your perfect performance, that transforms the hearts of children. **Parenting** Mary Glynn Peeples, 1994 [Parenting from the Heart: A Guide to the Essence of](#)

[Parenting from the Inside-Out](#) Jack Pransky, 2012-09-10 Just when you thought you've heard it all, *Parenting from the Heart* offers a new and different, refreshing approach to parenting. This easy-to-understand, down-to-earth book moves beyond parenting theories and techniques to get to the heart of parenting. If parents know how to look within their hearts to find the answers they need, parenting techniques are not necessary. If parents know how to find a loving connection with their children, at most times discipline and consequences are rarely necessary. All parents have it within them to bring out the best in their children. Approaching parents in this way makes parenting a true pleasure instead of the battle and chore it often becomes. Many so-called experts say that raising kids is the toughest job any of us will ever do, but it does not have to be that way. It can be the most joyful thing any of us will ever do. *Parenting from the Heart* is a must resource for anyone who cares about parenting and raising children.
