Living the Truth in Love Janet Smith, Ph.D., 2015-10-05 Living the Truth in Love grew out of the desire to provide answers to the questions posed in the Lineamenta for the Synod on Marriage of 2015 in Rome How can the Christian community give pastoral attention to families with persons with homosexual tendencies What are the responses that in light of cultural sensitivities are considered to be most appropriate While avoiding any unjust discrimination how can such persons receive pastoral care in these situations in light of the Gospel How can God's will be proposed to them in their situation 40 People who want to be instruments of Christ's love to those who experience same sex attraction among them our children brothers and sisters aunts and uncles parents friends and coworkers seek guidance on how best to do so We need to listen to the stories of those who experience SSA and the stories of those who have accompanied them on their journeys We also need to ground our responses in a genuine Christian understanding of the human person and of human sexuality More and more of those who have left the gay life style are telling their stories stories that disclose that engaging in homosexual sexual acts has not delivered the happiness sought Fortunately for many there is a second chapter to the story a beautiful story of falling in love with Jesus and his Church of finding an ennobling understanding of the truth of the human person Their journeys and transformations have often been facilitated by family members and friends counselors and spiritual directors who have been

affirming and accepting of those who experience same sex attraction without approving all their choices Those who courageously face the realities of their lives and resolutely make the changes necessary a process generally involving a significant amount of suffering prayer commitment to the sacraments and a refashioning of relationships eventually find peace not misery in accepting the Church's teaching on sexuality In their willingness to undergo conversions of many kinds and in their desire to seek holiness and live lives of complete self giving they become witnesses of the saving power of Jesus love and the graces he bestows on those who love him This volume includes essays that lay out the Christian view of the human person and of human sexuality essays that challenge the bifurcation of sexualities into heterosexual and homosexual Topics include an explanation of the meaning of the word disorder a discussion of the therapeutic power of friendship and an application of St Pope John Paul II's personalism to the question of same sex attraction Psychologists and counselors explain various ways of affirming those who experience SSA and of leading them to experience the power of Christ's healing love Several of those who experience SSA tell their touching and inspiring stories [The Complete Lesbian and Gay Parenting Guide](#) Arlene Istar Lev,2004-11-02 Gay parenting is a productive and positive decision but author and lesbian mother Arlene Lev admits it isn't always an easy one With practical wisdom and advice and personal real life stories Lev prepares gay parents for this endeavor with everything they need to know and everything they can expect while making their own significant and challenging mark on family life in the 21st century *Family News from Dr. James Dobson*,2002 [Loving Homosexuals as Jesus Would](#) Chad W.
