than leading Your role is not as a teacher or instructor but a fellow parent sharing content asking open ended questions guiding discussion You aren't expected to know everything or have your act together We're all fellow strugglers on the same heartbreaking path Authenticity and a willingness to be vulnerable with your trials is your best asset This material is written from a Christian worldview Our ultimate source of help has been Jesus Christ These groups are not Bible studies or prayer meetings but the Scriptures are used and discussed and a time of prayer is encouraged Support groups are a powerful way to bring parents from surviving to thriving They draw them out of isolation as they journey through some of the most difficult times of their lives By giving yourself as a facilitator of a Hope for Hurting Parents group you will receive the same comfort encouragement and hope Request a free sample at HopeForHurtingParents.com
