## Paris By Boat:

**Paris by Boat** David Jefferson, 1997-01-01 Many owners of small boats dream of cruising to Paris in their own boat. This guide explains how it is possible to make the trip there and back in as little as three weeks. It shows how to negotiate the complex tides between the sea and Rouen where to stow a mast ashore and then guides the reader up the Seine to explore the tranquil backwaters with their magnificent scenery. Finally the reader will pass under the famous bridges of Paris and catch their first glimpse of the Eiffel tower and then be able to berth right in the centre of Paris at a reasonable cost. The guide contains detailed river plans and information on locks, traffic regulations, documentation length, height and draught restrictions, fuel availability, latest costs, harbour details and tourist attractions.

**Paris, Paris** David Downie, 2011-04-05  
Beautifully written and refreshingly original makes us see Paris in a different light. San Francisco Chronicle Book Review  
Swapping his native San Francisco for the City of Light travel writer David Downie arrived in Paris in 1986 on a one way ticket his head full of romantic notions. Curiosity and the legs of a cross country runner propelled him daily from an unheated seventh floor walk up garret near the Champs Elysées to the old Montmartre haunts of the doomed painter Modigliani the tombs of Père Lachaise cemetery the luxuriant alleys of the Luxembourg Gardens and the aristocratic le Saint Louis midstream in the Seine. Downie wound up living in the chic Marais district married to the Paris born American photographer Alison Harris an equally incurable walker and chronicler. Ten books and a quarter century later he still spends several hours every day rambling through Paris and writing about the city he loves. An irreverent witty romp featuring thirty one short prose sketches of people, places and daily life. Paris Paris Journey into the City of Light ranges from the glamorous to the least known corners and characters of the world's favorite city. Photographs by Alison Harris. Praise for Paris Paris I loved his collection of essays and anyone who's visited Paris in the past or plans to visit in the future will be equally charmed as well. David Lebovitz author of The Sweet Life in Paris. A quirky personal independent view of the city its history and its people. Mavis Gallant Gives fresh poetic insight into the city a voyage into the bends and recesses the jagged edges the secret interiors of Paris Departures.
