*History of the War Between Germany and France* James D. McCabe, 1871      *A History of Balance, 1250-1375* Joel Kaye, 2014-04-03 The ideal of balance and its association with what is ordered just and healthful remained unchanged throughout the medieval period The central place allotted to balance in the workings of nature and society also remained unchanged What changed within the culture of scholasticism between approximately 1280 and 1360 was the emergence of a greatly expanded sense of what balance is and can be In this groundbreaking history of balance Joel Kaye reveals that this new sense of balance and its potentialities became the basis of a new model of equilibrium shaped and shared by the most acute and innovative thinkers of the period Through a focus on four disciplines scholastic economic thought political thought medical thought and natural philosophy Kaye's book reveals that this new model of equilibrium opened up striking new vistas of imaginative and speculative possibility making possible a profound re thinking of the world and its workings      *Broadway Musicals, 1943-2004* John Stewart, 2012-11-22 On March 31 1943 the musical *Oklahoma* premiered and the modern era of the Broadway musical was born Since that time the theatres of Broadway have staged hundreds of musicals some more noteworthy than others but all in their own way a part of American theatre history With more than 750 entries this comprehensive reference work provides information on every musical produced on Broadway since *Oklahoma*'s 1943 debut Each entry begins with a brief synopsis of the show followed by a three part history first the pre Broadway story of the show including out of town try outs and Broadway previews next the Broadway run itself with dates theatres and cast and crew including replacements chorus and understudies songs gossip and notes on reviews and awards and finally post Broadway information with a detailed list of later notable productions along with important reviews and awards      *The Cast*, 1902

expatriate writing constitutes a synthesis of the two tendencies Pizer shows Through careful readings of the texts Pizer identifies both the common threads in the expatriates response to the Paris moment and the distinctive expression each work gives to their shared experience Most important he addresses the neglected question of how the portrayal of the Paris scene helps shape a specific work s themes and form He traces such experimental devices as fragmented or cubistic narrative forms the dramatic representation of consciousness and sexual explicitness and explores the powerful and evocative tropes of mobility and feeding As Pizer demonstrates Paris between the two world wars was for the American expatriates more than a geographical entity It was a state of mind an experience that engendered the formal expression of a personal aesthetic The engaging and significant interplay between artist place and innovative self reflexive forms composes Pizer maintains the most distinctive contribution of expatriate writing to the literary movement called high modernism *Brodsky's Poetics and Aesthetics* Valentina Polukhina, Lev Loseff, 1990-06-21 Dogs in Athenian Sculpture and Vase Painting of the Archaic and Classical Periods Katia Margariti, 2025-05-15 This book analyses the iconography of dogs in Athenian art highlighting their roles as companions hunters pets and status symbols It explores their presence in various aspects of ancient Greek life their association with gods and heroes and their depiction in funerary reliefs reflecting the deep human canine bond **The Theatre** ,1885 Vol for 1888 includes dramatic directory for Feb Dec vol for 1889 includes dramatic directory for Jan May *Coincidence* Harold Brighouse, 1929 *The Continental Method of Scene Painting* Vladimir Polunin, 1927 *Paris , The Paris Scene* Peter James Rawlins, 1958 **Actors Directory and Stage Manual** ,1925 Harper's Monthly Magazine ,1907 Important American periodical dating back to 1850 **The Sphere** ,1919 **The Musical Guide** Rupert Hughes, 1903 **The musical guide, ed. by R.
