## Parkett 67 Collaborations:

**Parkett - 20 years of artists' collaborations** Mirjam Varadinis, Parkett Verlag, 2004 A rare behind the scenes look at one of the art world's most respected magazines Parkett 20 Years of Artists Collaborations portrays and explores the 20 years of Parkett since 1984. Focused particularly on the making of the journal's signature artists' collaborations and editions, this book features unpublished artist interviews, statements, and other background information. Included as well are artists' documents on the making of Parkett editions, with some 30 full-page color drawings and comments by artists Doug Aitken, Laurie Anderson, Louise Bourgeois, Maurizio Cattelan, Gilbert George, Roni Horn, Cindy Sherman, Gerhard Richter, Jeff Wall, and others. Parkett co-founders Bice Curiger, Jacqueline Burckhardt, and Dieter von Graffenreid provide insightful interviews, which are interspersed with pictures, historical material, and reproductions of Parkett covers. Approximately 30 artists, curators, and authors give statements, and 12 color double pages feature Parkett editions in private collections. A special large-size fold-out poster and a group picture of all editions. Also included is an index of the past 20 years that includes all 200 artists, 150 editions, 700 authors, 60 Parkett inserts, and 15 spines.

### **Parkett Collaborations & Editions Since 1984**

Deborah Wye, Susan Tallman, 2001 For nearly two decades Parkett has been the leading international journal on contemporary art. Its in-depth presentations on artists have become the standard for criticism and analysis, and being selected to be in Parkett is considered an honor for contemporary artists worldwide. More than 100 artists have collaborated with Parkett on both the journal's content and the production of special art editions made available to the readers of Parkett. In this new catalogue raisonné, each of the 120 artists' editions are fully documented and reproduced in full color. Along with the editions, this volume also pays tribute to the many authors who have written texts for Parkett by providing a complete index of their contributions and by reproducing each Parkett cover now more than 60 in full color. Deborah Wye, a curator at the Museum of Modern Art, writes an essay looking at the various methods of collaboration between Parkett and the artists, including the editions, inserts, spines, covers, and design of the publication. Susan Tallman explores the diversity and richness of the artists' editions through the years. This book coincides with the exhibition *Collaborations with Parkett: 1984 to Now* at the Museum of Modern Art, New York, in the spring of 2001.

Play and Participation in Contemporary Arts Practices Tim Stott, 2015-03-24 This book engages debates in current art criticism concerning the turn toward participatory works of art. In particular, it analyzes ludic participation in which play and games are used organizationally so that participants actively engage with or complete the work of art through their play. Here Stott explores the complex and systematic organization of works of ludic participation, showing how these correlate with social systems of communication, exhibition, and governance. At a time when the advocacy of play and participation has become widespread in our culture, he

addresses the shortage of literature on the use of play and games in modern and contemporary arts practice in order to begin a play theory of organization and governance     **The Collaborative Artist's Book** Alexandra J. Gold,2023-06-08 35th Modern Language Association Prize for Contingent Faculty and Independent Scholars Honorable Mention The Collaborative Artist's Book offers a rare glimpse into collaborations between poets and painters from 1945 to the present and highlights how the artist's book became a critical form for experimental American artists in the twentieth and twenty first centuries Alexandra Gold provides a broad overview of the artist's book form and the many ongoing debates and challenges from the disciplinary to the institutional that these forms continue to pose Gold presents five case studies and details not only how each individual collaboration came to be but how all five together engage and challenge conventional ideals about art subjectivity poetry and interpersonal relations as well as complex social questions related to gender and race Taking several of these books out of special collections libraries and museum archives and making them available to a broad readership Gold brings to light a whole genre that has been largely forgotten or neglected     [Annual Bibliography of Modern Art](#)

his Eastern Mediterranean origin as well as testifying to his concern with the links between Russian Modernism and the Byzantine tradition Stephen Bann has not set out to write a conventional monograph about the artist Rather he looks at the underlying mechanisms in Kounellis's practice suggesting the ways in which they are important in the broader context of late modernist art He outlines the distinctive way in which Kounellis takes account of space as a necessary preliminary to working within it and discusses the historical and cultural dimension to which Kounellis lays claim **Plane Image** Gary Garrels,2006 Brice Marden A Retrospective ISBN 0 87070 446 X 978 0 87070 446 8 Hardcover 11 5 x 9 5 in 240 pgs 248 color U S 60 00 CDN 72 00 October Art **Moving Pictures** John G.
