## Parthian Shot:

**Parthian Shot** Loyd Little,1975    **Parthian Shot** David Wishart,2011-11-10 If there is one thing Marcus Corvinus hates more than doing the household accounts it is politics So when he is interrupted in the former to get involved in the latter he is not best pleased His brief is to conduct an unofficial investigation into an attack on the Parthian Prince Phraates a task that taxes his none too diplomatic skills to the utmost The byzantine twists and turns of the case give Corvinus a headache worse than his customary hangover and it takes a violent threat to Perilla before he begins to get a grip on what is involved Along the way he learns a lot about the spice trade and a new way with lampreys    *The Parthian Shot* Ian

Bradley,2016-06-24    **A Disaster of Our Own Making** Brandon J. Weichert,2024-10-22 This searing account of the conflict between Russia and Ukraine reveals that contrary to popular media narratives Western hawks are culpable in triggering a war that has cost many thousands of innocent Ukrainian lives In 1991 the Cold War ended in a bloodless victory for NATO After 45 years of a grueling nuclear tinged Cold War communism was dead Eastern Europe was free Russia looked to the West for how to build a better freer future for itself and liberal democracy and capitalism reigned supreme But in the ruins of the last war lie the seeds for the next great conflict Floating just beneath the surface of post Cold War international relations was the question of what was to become of NATO with the loss of the Soviet Union as a threat Western leaders believed expansion into the former Soviet states of Eastern Europe was the natural next step But the Russians opposed this For 30 years a succession of Russian leaders from Mikhail Gorbachev to Boris Yeltsin to Vladimir Putin warned the West that NATO's expansion into territories bordering Russia notably into Ukraine would trigger a violent response from Moscow Yet the West did not listen Contrary to the popular narrative in the West *A Disaster of Our Own Making How the West Lost Ukraine* will show readers how Westerners created our current crisis with Russia and why innocent Ukrainians are being made to pay with their lives for the arrogance and ignorance of Western leaders in the post Cold War era Thanks to their hubris the world now teeters on the brink of a potential nuclear world war over the status of Ukraine    *The Complete*
