**Studies in 1 Samuel** Dennis Dinger,2018-07-20 The book of 1 Samuel covers the life of Samuel a prophet priest and judge in God s service and the reign of Saul the first king of Israel When the people of Israel rejected God as their King and demanded a human king God chose Saul But once Saul became king he let it go to his head he stopped consulting the Lord and he followed his own counsel When Saul failed as king the Lord took the kingdom from him and anointed David to be the new king We learn from 1 Samuel that when God gives a person a task to fulfill He expects that person to seek His guidance on a regular basis This applied to king Saul to the future king David and correspondingly to each of God s children today

**Studies in Daniel** Dennis Dinger,2019-11-26 The book of Daniel one of God s prophets is one of the most important prophetic books of the Bible Its contents can be broken down into three main categories First it details the lives of Daniel and his three friends during the seventy years of captivity of the people of Judah and Jerusalem in Babylon Second it documents dealings Daniel and friends had with four kings of Babylon Third it presents the dreams of King Nebuchadnezzar and the prophetic visions of Daniel With God s help Daniel interpreted the king s dreams Then God sent the angel Gabriel to help Daniel understand his own visions The king s dreams showed the future kingdoms of mankind in this world Daniel s visions showed the future of the children of Israel from his time forward to the end times and beyond Since the end times still lie ahead the prophecies of Daniel are very relevant to all peoples of the world

**Studies of the Letters of Peter** Dennis Dinger,2013-11-19 The first letter written by Peter focuses on persecution and suffering of God s people caused by sources

outside the church The second letter focuses on enticements by false prophets false teachers and deceivers from within the church The sufferings about which Peter warned occur simply because believers represent Christ on earth The enticements about which Peter warned produce negative results because believers are distracted and not focused on knowing God Jesus or God s Word These are wonderful letters from an apostle of Jesus Christ who lived a long productive Christian life after having witnessed Jesus 31 2 year ministry

**An Overview of the Old Testament** Dennis Dinger,2015-04-14 This overview introduces the topics in each Old Testament book in concise form The goal is to help each student of the Word gain a motivating interest to study the Old Testament Why because the Old Testament is packed with detailed information about the Lord Jesus Christ and His interactions with mankind Anyone who ignores the Old Testament today misses out on all the wonderful details God has provided to perfect our understanding

**Studies in 1 Chronicles** Dennis Dinger,2018-08-21 The book of 1 Chronicles starts with Adam and presents the genealogies of Saul David and Solomon kings of Israel It describes many events which occurred during the reign of king David Much of the contents of 1 Chronicles overlaps with the contents of 1 2 Samuel They present different accounts of many of the same events 1 Chronicles contains several lists of names of children of Israel who participated in the tasks and events of the time Because king David was a great warrior the Lord did not allow him to build Him a house David s many preparations to help Solomon construct the Temple however are recorded in 1 Chronicles At the end of David s life and with the Lord s approval he crowned his son Solomon king of Israel
