## **Parallel To Life:**

Parallel Lives Veronica Lavender, 2014-03-12 Our Parallel lives are about previous lifetimes that we've already had and are parallel to this lifetime. These past lives hold the details of our life's purpose that once recognised and achieved allows us to become our limitless potential of all lifetimes. Our parallel lives affect us in many ways; they form parts of our characters, the inherited characteristics of our personalities, unique talents, abilities, and the different aspects of our genetic identification that makes us individual. The synopsis of life is in the greater understanding of all lifetimes as we experience déjà vu memories of events that happened long ago. With life's synchronicity and the coincidences we are given the opportunity to reinstate positive attributes from all of our past lives into this one. We have all been travelling our journeys of the soul's quest, encouraging us to become personally and spiritually aware with the purification and cleansing of the sub-conscious and conscious mind and also of our planet. It's about reinventing and rediscovering our authentic self, allowing each person to empower and transform their lives. We are now living in the golden Age of Aquarius, experiencing great potential and phenomenon where we can manifest all that we desire. *The Drama*, 1919 **Understanding Life in the Universe** Wallace Arthur, 2022-11-17 Explores the possible nature of extraterrestrial life and how similar it may be to life on Earth.

**A Parallel Life and Other Stories** Robin Beeman, 1992 Measuring the progress and results of diversity initiatives is a key strategic requirement to demonstrate its contribution to organizational performance. Diversity executives, professionals, and managers know they must begin to show how diversity is linked to the bottom line in hard numbers or they will have difficulty maintaining funds, gaining support, and obtaining resources to generate progress. *The Soul's Journey and How It Affects Your Life* J.M. Farley, 2019-08-19 On ending up in a too familiar situation after years of emotional and physical pain, I began searching for answers as to why all these difficulties kept happening. It was at this life-threatening time that I was first approached by the energy vibration of the four archangels. Due to the fact I had always seen spirits as physical people, I didn't believe the angels' instructions, but after another very special visitation where they showed themselves to me, which is no easy feat for them, I agreed to write their words, and that's how this book manifested. As I wrote, my life began to make sense, which now enables me to live with more awareness of what part I have to play in my soul's journey, opening my eyes to wonderful new possibilities. When angels speak, do you listen? I did, and now you too can experience the higher healing knowledge of how your soul's journey affects your human existence and how you can work with your soul to ease life's impact. So give yourself permission to engage with the timeless angelic knowledge that will enable you to encounter a freedom never felt or known before. **The Organization of Life** Seba Eldridge, 1925 *Life*, 1913 *Creativity for Life* Eric Maisel, 2010-09-24 As a therapist and creativity coach, Eric Maisel has worked with thousands of creative people. He knows firsthand the struggles that writers, musicians, artists, dancers, and actors face and has helped them find balance in their lives while pursuing their artistic endeavors. His new book presents a comprehensive approach to the much misunderstood life of the artist. Creativity

for Life offers practical ideas as well as exercises and inspiration to nurture growth as an artist and as a person exploring such subjects as Establishing your creativity practice Obscurity and stardom Blocks The artist s personality Moods and madness Artists in love Craft The rewards and perils of isolation Social interactions and community 42 *a Mission of Martyrs to Save the World* Trent Bolesky,2012-05-17 Are dreams and visions from the Lord still possible in todays world In 42 A Mission of Martyrs to Save the World author Trent Bolesky shares that not only are they real but also predicted in Gods Word to be part of Christian experience Trent personally shares his firsthand experience and the global mission God revealed It is a challenge to rally all Christians and a celebration of God accomplishing His plans on earth under a united cause for Christ
