Parenting Us How God Does It:

Parenting Us David R. Mains,Karen Burton Mains,1986 10 Principles for Spiritual Parenting Mimi Doe,Marsha Walch, PhD,2010-11-30 In the hustle and bustle of everyday life how do we as parents honor the spirituality of our children As we shuttle between school soccer practice piano lessons ballet lessons birthday parties and doctors appointments how do we find the time to encourage our children through the ups and downs of growing up to turn to God for guidance aIn 10 Principles for Spiritual Parenting Mimi Doe and Marsha Walch open our eyes to the spontaneous creative freethinking joy that characterizes a child s innate spirituality In ten easy to follow chapters containing exercises and practical suggestions the authors point out that opportunities to express spirituality are abundant in our routine life Talking at dinner lighting candles performing daily chores all of these events have the potential to be sacred moments aContemporary parents face unique challenges in our medi saturated culture children are continually exposed to violence cynicism and a confusing code of ethics By offering concrete ways to help children develop positive values Mimi Doe and Marsha Walch support parents efforts to counteract negative messages aBy concluding with suggested readings and videotapes for young children and older children the authors of Ten Principles for Spiritual Parenting have created an invaluable guide for parents who yearn to help their children nurture a rich spirituality of their own Partnering with God in Parenting Our Children Olan Stubbs,2025-07-29 Parenting is hard If you are considering this book it is likely because you too think it is hard and are looking for some help In this book Olan Stubbs lets you know that you are not alone and God has not left you to parent on your own Drawing deep from God s Word and tempered by years of experience Stubbs shares godly counsel for weak and weary parents This is not just a how to manual for raising children Rather it is realistic counsel that recognizes the pains of parenthood Yet it also presents us with the hope we need to patiently partner with God in parenting our children

Grace-Filled Parenting (Pack of 25) Paul David Tripp,2018-01-31 GRACE FILLED PARENTING There is nothing more important to consistent faithful patient loving and effective parenting than to understand what God has given you in the grace of his Son the Lord Jesus Christ Understanding God s grace will change you and as it changes you it will change the way you relate to and parent your children God doesn t call people to be parents because they are able If you read your Bible carefully you will understand that God doesn t call able people to do important things Abraham wasn t able Moses wasn t able David wasn t able The disciples weren t able and the story goes on The reason for this is that there are no able people out there They just don t exist And they surely don t exist as parents God did not create human beings to be independently able he designed us to be dependent It s not a sign of personal weakness or failure of character to feel unable as a parent None of us has the natural storehouse of wisdom strength patience mercy and perseverance that every parent needs in order to do his or her job well Since independent ability like independent right eousness is a delusion why would a God of perfect wisdom ask inadequate people to do such an important job The answer is so crucial to grasp God calls unable people to do

important things because ultimately what he's working on is not your immediate success but that you would come to know him to love him to rest in his grace and to live for his glory God calls unable people to do the impossible so that in your search for help you would find more than help you would find him God never sends you into anything without going with you He never tells you to do something without giving you what you need to do it This is the story of the whole Bible This is why God sent his Son to earth But what does this have to do with parenting Everything It means that if you are God's child if you have placed your trust in his Son Jesus Christ as your Savior from your inherent sin it is impossible for you to be left to your own limited package of resources God is in you and with you In the morning when you dread getting out of bed and facing another hard parenting day God is with you He is with you when your children are in your face and disrespectful He is with you when you fall into bed with a combination of exhaustion and regret He gifts you with his presence And he will not turn his back on you until what he has called you to do as a parent is complete What do you have as a Christian parent You have the best thing ever and with it you have hope You have God in every moment of the day But will you remember that you do God's grace works to open your eyes to see yourself as a parent accurately If you fall into thinking that you as the parent keep God's law perfectly then you expect the people around you to do the same This self righteousness will have a negative effect on your relationship with your children and the way you handle their weakness and failures So here's what God does in all of our lives He uses things like our marriages and our parenting to expose thoughts attitudes and desires in our hearts that we previously denied were there God uses irritation impatience anger and lack of gentleness and joy to show how much we need his forgiving and transforming grace God's plan is to make his invisible grace visible to children by sending parents of grace to give grace to children who need it And parents who know they need grace tend to want to give grace to children who are just like them God's grace grows and changes you as a parent Remember the gospel although the power of sin has been broken in the beautiful justifying mercies of Jesus Christ the presence of sin still remains with us So God's present zeal is to progressively deliver us from the remaining hold that sin has on us Think about how beautiful this is In every moment you are parenting your children the heavenly Father is parenting you As you are lovingly confronting your children with the hope that they would confess their need and commit to change the heavenly Father is confronting you God hasn't just sent you to do his work in the lives of your children he will use the lives of your children to advance his work in you God's grace liberates you from the prison of regret One of the most beautiful things about God's grace is that it welcomes you to fresh starts and new beginnings Way too many parents are paralyzed by the what ifs and if onlys Yes you will make mistakes Yes you will learn and grow as a parent Yes you will look back and be embarrassed by things you said and things you did If you're at all humble as a parent you will look back with some regret But it's important to understand that although regret is a sign of a humble heart it is also dangerous and debilitating to live in regret Living in regret robs you of your confidence It weakens or steals your hope And for all of its remembering regret can be tragically forgetful It tends to forget the cross of

the Lord Jesus Christ On the cross Jesus bore the entire burden of our guilt and our shame On the cross Jesus purchased by the shedding of his blood our complete forgiveness past present and future This means we can boldly come to him in our failure receive his forgiveness deposit our regret at his feet and move on to new and better ways of doing what he s called us to do as parents God has called you to be a parent How does he give you what you need for this calling He gives you what you need by giving you himself and in giving you himself he showers his amazing forgiving rescuing transforming empowering and wisdom giving grace down on you The one who called you to this very important job is with you And because he is always with you you as a parent can always have hope *Grandparenting (Grandparenting Matters)* Dr. Josh Mulvihill,2018-12-04 Many powerful voices are influencing our grandchildren from those at home and in their schools to those in the world of entertainment and media What can you as a grandparent do to speak wisdom and godliness into their lives Grandparenting gives you a biblical foundation for investing spiritually in your grandkids walking you through the principles of influencing them for Christ from sharing with unbelieving grandkids to discipling them into a mature faith This book is perfect for individual use small groups or Sunday school classes A Grandparenting DVD is available that features eight family ministry experts with over five hours of video content Two other resources are also available Biblical Grandparenting is a full length leadership book that places grandparenting ministry on a firm scriptural foundation It is ideal for pastors and church leaders as well as for use in the classroom at seminaries Equipping Grandparents is a brief book to teach pastors how to begin a grandparenting ministry in their church *Like Our Father* Christina Fox,2022-03-02 Reveal God to your children by parenting them like He parents us Tired of all the parenting books full of strategic checklists how to advice and quick tips If so this book is for you Instead of focusing on parenting techniques it s about who God is who we are in light of that and how God s character gives form and shape to our parenting Christina Fox wants you to explore the Scriptures with her and discover the goodness of the God who makes us His own As God s beloved creatures we bear His image that is we show others who He is as we glorify Him Is anything more important to pass on to our children than this In Like Our Father you ll learn to parent in light of the timeless and profound truths that God Is our adoptive Father Is consistent Provides boundaries Teaches and trains us Disciplines us Gives us what we need Responds patiently Loves us unconditionally Though it s tempting to want a step by step instructional manual on how to raise kids what you really need is a clearer grander bolder vision of your Heavenly Father When you ve got His character before your eyes you ll live it out in front of your kids And as they share in your magnified vision of God they ll begin to live as the image bearers that He made them to be *Children, Religion and the Ethics of Influence* John Tillson,2019-06-13 In Children Religion and the Ethics of Influence John Tillson develops a theory concerning which kinds of formative influence are morally permissible impermissible or obligatory Applying this theory to the case of religion he argues that religious initiation in childhood is morally impermissible whether conducted by parents teachers or others Tillson addresses questions such as how we come to have

the ethical responsibilities we do how we understand religion how ethical and religious commitments can be justified and what makes children ethically special **The Works of William E. Channing, D.D.** William Ellery Channing,1879

English and Parental Versions of the Bible and Its Deity Alfred Ellenwood Giles,1897 You and God Cynthia R. Donahoe,2011-08-29 We can do it The Parenting Partnership is a book to encourage today's Christian parents in the wonderful task of raising children This is a Biblical study of the ways God helped parents in the Bible times and how He helps today's parents You and God The Parenting Partnership looks at the lives of such Biblical parents as Adam and Eve King David Hannah and Noah We look at God's relationship with these parents and how we can learn from the issues that they faced We can see that God Jesus and the Holy Spirit were with the parents in Biblical times and they will be with us as well There are so many lessons that can be seen in the Word of God that can assist and encourage today's parents Parents have the difficult task of teaching children the will of God God has provided all that is needed to get this task done We must rely on His word His way and His power to get us through the tough times Parents can not fall down on the job of teaching God's way to the children There is a sinful world just waiting to pull our children from God's ways We must instill God's word in us and then pass it on to the children Parents remember that God doesn't give His people a task that we can not accomplish with His power This is the same thing with parenting We can do it with His help You and God The Parenting Partnership was first published in 2011 Parenting Richard Patterson Jr.,2006-07-14 In this nine session LifeGuide Bible Study Richard Patterson Jr helps you study the qualities of parenting and the practice of Christian parenting He addresses nine parenting challenges that point us directly to time tested truth from Scripture that helps us raise our children with wisdom and joy

The Back Side of the Cross Diane Leclerc,Brent Peterson,2022-06-29 The cross has always been portrayed as the means of salvation and forgiveness for sinners but does it have anything to say to those who have been sinned against This book shows that the atonement of Christ has powerful potential to speak to those who have been wronged especially those who have been abused and abandoned in countless ways those who cower at the back side of the cross wondering if they are included As victims of various kinds of abuse are beginning to come out of the shadows in cultural conversation and in the context of the church The Back Side of the Cross is a timely book for several audiences It is thoroughly rigorous and will interest theologians and their students it also offers a very practical section for pastors and those who want to care for the wounded and it can even reach survivors themselves as it offers true hope in the urgency of such real pain *The Works of William E. Channing* William Ellery Channing,1878 **The Church School Journal** ,1908 People's Christian Bulletin ,1917 **Unity** ,1909 **The Christian Messenger** ,1832 **The Complete Works** William Ellery Channing, *The Christian Work and the Evangelist* ,1908 The Watchman-examiner ,1920
