Grace-Filled Parenting (Pack of 25) Paul David Tripp, 2018-01-31 GRACE FILLED PARENTING There is nothing more important to consistent faithful patient loving and effective parenting than to understand what God has given you in the grace of his Son the Lord Jesus Christ Understanding God s grace will change you and as it changes you it will change the way you relate to and parent your children God doesn t call people to be parents because they are able If you read your Bible carefully you will understand that God doesn t call able people to do important things Abraham wasn t able Moses wasn t able David wasn t able The disciples weren t able and the story goes on The reason for this is that there are no able people out there They just don t exist And they surely don t exist as parents God did not create human beings to be independently able he designed us to be dependent It s not a sign of personal weakness or failure of character to feel unable as a parent

None of us has the natural storehouse of wisdom strength patience mercy and perseverance that every parent needs in order to do his or her job well Since independent ability like independent righteousness is a delusion why would a God of perfect wisdom ask inadequate people to do such an important job The answer is so crucial to grasp God calls unable people to do important things because ultimately what he is working on is not your immediate success but that you would come to know him to love him to rest in his grace and to live for his glory God calls unable people to do the impossible so that in your search for help you would find more than help you would find him God never sends you into anything without going with you He never tells you to do something without giving you what you need to do it This is the story of the whole Bible This is why God sent his Son to earth But what does this have to do with parenting Everything It means that if you are God's child if you have placed your trust in his Son Jesus Christ as your Savior from your inherent sin it is impossible for you to be left to your own limited package of resources God is in you and with you In the morning when you dread getting out of bed and facing another hard parenting day God is with you He is with you when your children are in your face and disrespectful He is with you when you fall into bed with a combination of exhaustion and regret He gifts you with his presence And he will not turn his back on you until what he has called you to do as a parent is complete What do you have as a Christian parent You have the best thing ever and with it you have hope You have God in every moment of the day But will you remember that you do God's grace works to open your eyes to see yourself as a parent accurately If you fall into thinking that you as the parent keep God's law perfectly then you expect the people around you to do the same This self righteousness will have a negative effect on your relationship with your children and the way you handle their weakness and failures So here is what God does in all of our lives He uses things like our marriages and our parenting to expose thoughts attitudes and desires in our hearts that we previously denied were there God uses irritation impatience anger and lack of gentleness and joy to show how much we need his forgiving and transforming grace God's plan is to make his invisible grace visible to children by sending parents of grace to give grace to children who need it And parents who know they need grace tend to want to give grace to children who are just like them God's grace grows and changes you as a parent Remember the gospel although the power of sin has been broken in the beautiful justifying mercies of Jesus Christ the presence of sin still remains with us So God's present zeal is to progressively deliver us from the remaining hold that sin has on us Think about how beautiful this is In every moment you are parenting your children the heavenly Father is parenting you As you are lovingly confronting your children with the hope that they would confess their need and commit to change the heavenly Father is confronting you God hasn't just sent you to do his work in the lives of your children he will use the lives of your children to advance his work in you God's grace liberates you from the prison of regret One of the most beautiful things about God's grace is that it welcomes you to fresh starts and new beginnings Way too many parents are paralyzed by the what ifs and if onlys Yes you will make mistakes Yes you will learn and grow as a parent Yes you will look back and be embarrassed by things you said and things you did If you re

at all humble as a parent you will look back with some regret But it s important to understand that although regret is a sign of a humble heart it is also dangerous and debilitating to live in regret Living in regret robs you of your confidence It weakens or steals your hope And for all of its remembering regret can be tragically forgetful It tends to forget the cross of the Lord Jesus Christ On the cross Jesus bore the entire burden of our guilt and our shame On the cross Jesus purchased by the shedding of his blood our complete forgiveness past present and future This means we can boldly come to him in our failure receive his forgiveness deposit our regret at his feet and move on to new and better ways of doing what he s called us to do as parents God has called you to be a parent How does he give you what you need for this calling He gives you what you need by giving you himself and in giving you himself he showers his amazing forgiving rescuing transforming empowering and wisdom giving grace down on you The one who called you to this very important job is with you And because he is always with you you as a parent can always have hope *The Kids Are All Right* Gabrielle Stanley Blair,Ben Blair,2024-10-15 From Design Mom blogger Gabrielle Blair and her husband Ben Blair a unique guide that subverts the concept of perfect parenting by embracing uncertainty Parents today are often filled with anxiety overwhelmed with the feeling that every parenting decision carries paralyzing high stakes *The Kids Are All Right* gives parents the tools to set these anxieties to the side and connect more meaningfully with their children and the actual issues they face The book provides relatable examples and insightful frameworks to help parents approach parenting with confidence rather than reacting to cultural fears about screen time or college admissions Gabrielle and Ben Blair are the parents of six and have been raising kids for over two decades Through the years they ve charted their own unconventional path working from home before remote work was a thing uprooting their kids four five six times including a move to France where they enrolled in local schools without knowing the language It s been a unique parenting journey characterized by experimentation trial and error decisions prompted by financial or psychological necessity varying levels of anxiety and tension despair and hope This unique path turned out to be fertile soil for growing independent resilient and creative kids and a family that is genuinely close and truly enjoys each other s company With this book they share how they did it and show how we can too and in so doing offer a heaping serving of relief They show how to let go of tired expectations of what it means to be a good parent how to push back against the latest moral panic and how to come to terms with the reality that the old rules won t necessarily apply in the future But more than pushing back and letting go they show what it looks like to build thriving relationships that extend beyond the first 18 years **Parenting By Principle** Ph D D Min Steenberg, Pierre,Pierre F. Steenberg,2015-01-22 *Parenting By Principle* equips parents with both parenting principles and a method of raising children by principle rather than by rules punishment and rewards This is a paradigm shift yet so logical when you compare the traditional method of rules punishment and rewards to parenting by principle *Hearts and Minds* Kenneth Boa,John Alan Turner,2006 *Parenting* is about more than molding the behavior of our kids It s about influencing a child s heart and mind *Hearts and Minds* shows

parents the most effective way to influence a child's heart. This book applies the principles of Christian worldview in *How Now Shall We Live* to the process of raising children. It deals with issues like educational choices, how to handle the teaching of non-Christian worldview in secular schools, and how Christian worldview informs parenting choices.
