Streetwise Paris Map Michelin,2017-12-12 Streetwise Paris Map is a laminated city center travel map of Paris France The accordion fold pocket size travel map has an integrated metro map including lines stations Coverage includes Main Paris Map 1:14 000 Paris Metro Map Map of France Dimensions 4 x 8.5 folded 8.5 x 38 unfolded There are more clichés about Paris than there are tourists at the Louvre but the fact is that underneath each overused hackneyed cliché is a glistening kernel of truth The City of Light the City of Love and the City of Romance familiar platitudes but once you experience it for yourself you understand why There is a *je ne sais quoi* allure to this city that beguiles but never completely reveals what makes it so universally appealing Artists poets writers and composers have tried to define exactly what it is about this place and yet they

succeed only to a point Perhaps it is as elusive as defining love for to be in Paris entails experiencing love about someone something some place There is so much to do you know the big ones the Louvre Musee d Orsay Sacre Coeur St Germain des Pres the Left Bank the Right Bank the Arc de Triomphe the Champs Elys es the Op ra but don t miss the fun of discovering the small ones the ones off the beaten path Nothing like taking your time strolling thru the turn of the century mansion that houses Mus e Marmottan then enjoying a caf and patisserie in the museums jewel box caf Wandering aimlessly is romantic Getting lost isn t romantic In fact there are few things that can drain the romance out of a situation faster than realizing that you re hopelessly lost So take your travel map and put it away if you want to wander but have no fear that your wandering will turn into a lost odyssey You can always pull out the STREETWISE R Paris Map and get yourself pointed back in the right direction Paris is not without faults Sometimes people can be rude but that s the case anywhere in the world be it a large city or small village You get what you give And in the case of Paris as with any true love you accept the flaws with the charms the weaknesses with the strengths In the end the true beauty of Paris will surpass any blemish Life from a Parisian perspective is beautiful But that s another clich isn t it The pocket size map of Paris is laminated for durability and accordion folding for effortless use To enhance your visit to Paris pick up a Michelin Green Guide Paris which details sites and attractions using a star rating system so you can prioritize your trip based on time and interest For a selection of the best restaurants and hotels buy the MICHELIN Guide Main Cities in Europe or the MICHELIN Guide Paris ses environs French only For driving or to plan your trip to and from Paris use the Michelin France Road and Tourist Map No 721
