Elizabeth Barlow Rogers, John Berendt

Park Management:

Rebuilding Central Park Elizabeth Barlow Rogers, John Berendt, 1987-01 Illustrated throughout with 2 color and tinted maps and drawings and numerous photographs Rebuilding Central Park is the first close examination of these invaluable 843 acres in more than a century **An Introduction to Park Management** Sam Lankford, Jill Knowles-Lankford, Daniel A. Wheeler, 2011 This 3rd edition is intended for park professionals who need a reference book and university students who may have an interest in becoming employed in the parks profession The book explores the responsibilities of staff and the problems and challenges associated with managing parks in the 21st century Particular attention is paid to the structure of park organisations planning decision making and politics that ultimately influence the way parks are managed *Park Management Series* , **Municipal Administration** John Archibald Fairlie, 1901 **Glacier Bay National Park and Preserve (N.P), Falls Creek Hydroelectric Project and Land Exchange** , 2004 **Yoho National Park Management Plan** Canadian Parks Service. Western Region, 1988 **Design for Maintenance** Arthur T. Wilcox, 1983 Handboek over hoe men het toekomstige onderhoud van een aan te leggen recreatiegebied al bij de verschillende ontwerpstadia in kan passen om later het noodzakelijke onderhoud zo efficient mogelijk uit te kunnen voeren **The Politics and Economics of Park Management** Terry Lee Anderson, Alexander James, 2001 The Politics and Economics of Park Management examines national protected area systems in both developed and developing countries that have made a transformation from fortress parks to a sustainable use model The contributors park management academics and members of nongovernmental organizations contend that successful institutional change in protected area systems involves not only the adoption of appropriate legal and regulatory regimes covering sustainable use but also the development of an informal culture of sustainable resource use among all of a park's stakeholders While this latter requirement is often difficult to achieve the contributors show how these informal attitudes may evolve over time both within the management structure of a park agency and the community of resource users The case studies cited represent examples of successful institutional change demonstrating both financial and conservation benefits to protected area agencies that should serve as model for managing parks today **The New Urban Park** Hal Rothman, 2004 From Yellowstone to the Great Smoky Mountains America's national parks are sprawling tracts of serenity most of them carved out of public land for recreation and preservation around the turn of the last century America has changed dramatically since then and so has its conceptions of what parkland ought to be In this book one of our premier environmental historians looks at the new phenomenon of urban parks focusing on San Francisco's Golden Gate National Recreation Area as a prototype for the twenty first century Cobbled together from public and private lands in a politically charged arena the GGNRA represents a new direction for parks as it highlights the long standing tension within the National Park Service between preservation and recreation Long a center of conservation the Bay Area was well positioned for such an innovative concept Writing with insight and wit Rothman reveals the many complex

challenges that local leaders politicians and the NPS faced as they attempted to administer sites in this area He tells how Representative Phillip Burton guided a comprehensive bill through Congress to establish the park and how he and others expanded the acreage of the GGNRA redefined its mission to the public forged an identity for interconnected parks and struggled against formidable odds to obtain the San Francisco Presidio and convert it into a national park Engagingly written The New Urban Park offers a balanced examination of grassroots politics and its effect on municipal state and federal policy While most national parks dominate the economies of their regions GGNRA was from the start tied to the multifaceted needs of its public and political constituents including neighborhood ethnic and labor interests as well as the usual supporters from the conservation movement As a national recreation area GGNRA helped redefine that category in the public mind By the dawn of the new century it had already become one of the premier national park areas in terms of visitation Now as public lands become increasingly scarce GGNRA may well represent the future of national parks in America Rothman shows that this model works and his book will be an invaluable resource for planning tomorrow s parks *Civil Service Journal* ,1968

Parks & Recreation ,1924 **Park Management** Dwight R. McCurdy,1985 Park managers must draw upon knowledge and skills that are not immediately apparent This book locates disciplines such as landscape architecture law enforcement communications engineering personnel management accounting and budgeting within the context of recreation administration McCurdy details the purpose of park systems and the types of areas found within them He describes accepted policies relative to such problems as the park planning and design process land acquisition and both the preservation of original features and the introduction of artificial ones He concludes with a discussion of the types of people who visit the different kinds of areas within park systems and analyzes the visitor s use patterns **The Hospitality and Tourism**

Industry in ASEAN and East Asian Destinations Jinlin Zhao,Lianping Ren,Xiangping Li,2021-07-15 This new volume addresses the growing interest to understand tourism and hospitality in Southeast and South Asia two regions that have seen tremendous growth in international tourists in recent years It explores the current development of hospitality and tourism industry in the regions of Hong Kong Macao and Taiwan as well as other key countries in Southeast and South Asia The Hospitality and Tourism Industry in ASEAN and East Asian Destinations New Growth Trends and Developments provides updated findings and case studies that highlight opportunities and issues of tourism and hospitality development in ASEAN Chapters cover such diverse topics as Online marketing strategies Sustainable hospitality development Diversification efforts of the tourism industry Innovations in independent hotels Wildlife tourism in urban destinations The Vietnamese national park system Consumers positive and negative images of certain destinations Much more While academicians will benefit from the updated research findings summarized by the respected scholars hospitality professionals will also find the book a valuable source of information as the chapters delve into the most recent topical and industry focused issues **The**

Politics and Economics of Park Management Terry L. Anderson,Alexander James,2000-12-06 The Politics and Economics

of Park Management examines national protected area systems in both developed and developing countries that have made a transformation from fortress parks to a sustainable use model The contributors park management academics and members of nongovernmental organizations contend that successful institutional change in protected area systems involves not only the adoption of appropriate legal and regulatory regimes covering sustainable use but also the development of an informal culture of sustainable resource use among all of a park's stakeholders While this latter requirement is often difficult to achieve the contributors show how these informal attitudes may evolve over time both within the management structure of a park agency and the community of resource users The case studies cited represent examples of successful institutional change demonstrating both financial and conservation benefits to protected area agencies that should serve as model for managing parks today
