Practical Python Design Patterns Wessel Badenhorst, 2017-10-17 Become a better more productive programmer through a series of projects that will help you deeply understand and master each of the design patterns covered In this book you will learn to write elegant Pythonic code to solve common programming problems You will also experience design thinking by identifying design patterns that would be helpful given a specific problem or situation Python is eating the world In recent years it has become so much more than a mere object oriented scripting language Design patterns help you think of and solve problems in chunks They help you to stand on the shoulders of the giants who have come before instead of having to reinvent the wheel What You Will Learn Craft cleaner code Increase your effectiveness as a programmer Write more Pythonic code Solve bigger problems Discover optimal solutions to common problems done in a way that is uniquely Pythonic Who This Book Is For Programmers who are comfortable with Python It is also guide for people who have mastered other programming languages and who want to make the transition to Python LIFE, 1970-06-05 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **Get Empowered** Nadia Telsey, Lauren R. Taylor, 2023-10-03 A practical guide for women nonbinary and LGBTQIA people to claim our right to be safe to take up space and to speak up for ourselves Don t walk alone at night Don t leave your drink unattended Don t hurt anyone s feelings Most women and nonbinary people are taught these rules intended to keep us safe from harassment abuse and assault from a young age While the MeToo movement has swept the globe and shined a light on the pervasiveness of gender based violence that led to these rules the fears persist and for good reason While men who commit almost all gender based violence are the ones who should be responsible for changing those of us who are targeted shouldn t have to wait for the world to transform and become a better place in order to live safer fuller more authentic lives Through real life stories meaningful questions and interactive exercises Get Empowered will teach readers to understand why gendered violence exists and how it shows up take up space say what they want let go of self blame heal from past traumas Whether you re looking for ways to stand up for yourself you re a survivor focused on healing or you re committed to being an ally this book will give you the tools you need to thrive *Report of Investigations*, 1980 LIFE, 1970-06-26 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use The Cost of Fear Meg Stone, 2025-02-25 A violence prevention expert helps targets of gender based violence discern fact from fiction around what keeps us safe and support social change Personal safety shouldn t mean living in fear nor should it come at the expense of political progress Questionable advice to avoid violence like don t

go shopping alone comes mostly from the police or other men in authority But gender based violence is often enacted in the most intimate spheres of our lives not when we re out grocery shopping To stop this violence we need strategies that are just as intimate In *The Cost of Fear* nationally recognized violence prevention expert Meg Stone helps readers separate fact from fiction It s full of practical research based strategies that readers can use to keep themselves and their communities safer Increased safety comes from developing the skills to resist coercive control especially from people we know or people in authority not from complying with rigid rules or avoiding homeless people on the street This deeply researched book draws timely connections between personal safety and political change from Latina organizers in California working to stop sexual violence against night shift janitorial workers to teenage girls who call out double standards Work to change laws and change people s minds is essential but without practical strategies the change is incomplete *The Cost of Fear* will show us how we can make safety choices that expand our worlds and contribute to the fight for social justice **Ainslee's** ,1912 **Lord**
