## PARTISANS

*Partisans* is an exciting and worthy successor to Peter Matthiessen's *Race Rock* (1954), which was hailed in superlatives rarely granted a first novel. The new novel is concerned with the efforts of a young man to search out, to recognise, and ultimately to affirm, his own identity. Barney Sand, adult in Paris, is not, however, just any man, nor is he everyone. There are others who make United States career diplomat; Jacobs, long-time Party leader, whom Sand had known for one day in his youth and whom he now wants to find; Marat, one of the Party strongmen, who attempts to indoctrinate Sand; Lise and Olivier, Sara and Rudi — each joined to the web of Sand's experience.

*Partisans* is a many-layered book. It is a novel of suspense, infused with drama and tension. It is a novel of the chase, of the hunted and the haunter, threading the maze of a Paris that is a murky half-world unto itself. Finally, *Partisans* is a novel concerned with the ideas and human values with which the species, modern man must come to terms. Written with rare insight, and in total, perceptive power, it is an important work from a young American writer of extraordinary talent. *Partisans* is a novel worthy of that talent.

Twenty-eight-year-old Peter Matthiessen, a World War II Navy veteran, spent three years in Europe after the war, where he was one of the founders of the Paris Review. In 1953-54 he taught creative writing at Yale. His own fiction has appeared in such periodicals as *The Atlantic*, *New World Anthology*, *Esquire*, and the *Observer* (London). He now lives on Long Island, where he continues a character and continuous life writing novels.
