

A person with long brown hair, seen from behind, stands on a mountain peak. They are wearing a dark-colored top. The background features a vast mountain range under a bright blue sky with scattered white clouds. A semi-transparent teal horizontal band is superimposed across the middle of the image, containing the title and subtitle text. Two short white horizontal lines are positioned on either side of the teal band, aligned with its edges.

Introduction to Yoga This book is going to tell you a little bit about yoga I am not going to go very deeply in to the esoteric and traditional aspects of yoga because that knowledge is only gained through years of training by a wise and experienced guru but you are going to get to know more about this ancient tradition which has come down to benefit mankind down the ages What is Yoga Ask any health conscious person this question and he is going to inspect the ceiling thoughtfully and say something on the lines of ahhh umm Is not yoga made up of some exercise routines in which you lie down on a mat and twist your body into different shapes These exercises are to get rid of weight and will make sure that you keep fit fine and healthy When you nod and say Go on he is going to continue enthusiastically And then you are going to be chanting some mantras all the time that you are doing these exercises because that is the way it is done Hold it right there You are right that yoga is basically a set of exercises but let me explain about the idea of mantras and chanting This idea that you have to chant instant mantras in praise of the gods is perhaps the reason why so many people are not taking benefit of this ancient Eastern tradition That is because they consider this to be religion area and civilization specific This is definitely not so An American friend once asked me if I practiced yoga being an Indian I nodded and she replied a bit bewildered But you are not a Hindu So why would you want to practice yoga And then she shrugged her shoulders and said Well I guess it is just a passing phase this interest in yoga This was 20 years ago and for all those people out there who still are under the impression that yoga is a religion specific tradition let me tell you a little bit about this ancient traditional way of keeping healthy And I am glad to see that she has been proven wrong because Yoga is definitely not a fad It is not here today gone tomorrow More and more people in the West and also all over the world are getting interested in this natural way of keeping

Yoga for Beginners Alecandra Baldec, 2013-03-08 Yoga For Beginners is a text that is well timed It explores all the aspects of yoga that an individual that is interested in starting yoga would want to know The book takes the reader through the different aspects of yoga step by step starting with a working definition of yoga and who yoga is best suited for This process is still a mystery to many in the Western World as they simply had no care to learn about it due to religious reasons or otherwise As things become more integrated however more and more persons are becoming exposed to yoga and are curious to learn where it all started and how it can be beneficial to them The author makes every effort to make the information as reader friendly as possible and as interesting as possible to keep the reader engaged in the process The text gives the novice just enough information to enable them to make an informed decision as to whether or not they will opt to practice yoga or not There is even a chapter that shows the link between meditation and yoga and how the two work together to get the body and the mind in unison It is a very informative text About the Author Yoga has made quite a comeback in recent years as more and more individuals start to realize the benefits that they can accrue from doing this low impact form of exercise Alecandra Baldec is well aware of this as she has been practicing yoga for quite a number of years now It all started when she saw her aunt practicing every day after she had a heart attack As curiosity got the better of her she asked why her aunt was doing this and was told that is was the best way to get the mind and body in sync and to get rid of built up stress Alecandra took this a step further and sought to do her own research to find out exactly what the process of yoga entailed This opened her up to a whole new world and she did end up learning a lot about the process including the many benefits that it came with As such she took it upon herself to get the information out to as many persons as she possibly could so that they too may learn the many benefits that they can accrue from practicing yoga Her book is just one of the ways that she chose to do so

Yoga for Beginners Stacy Milesescu, 2014-08-29 What s your idea of yoga practice Do you

understand the importance of breathing techniques and proper posture or recognize which types of clothing are the best choices for yoga sessions No worries Author and healer Stacy Milesescu guides you through all of the essential information that a beginning yoga student ought to understand before embarking on a new yoga exercise routine The advice featured here reads like advice from a yoga expert and good friend rolled into one especially when Milesescu dispenses practical best friend pointers like Low cut tops may not be a good option for women with larger breasts you don't want to feel like you're popping out of your shirt when you're doing the downward dog Milesescu explains the history of yoga and the different types of yoga so that novices can better understand which type of yoga is best suited to their needs The health benefits of yoga are explained and there's also an entire chapter focused on valuable tips for enjoying one's workout and obtaining maximum benefits right from the start Of course the main focus of this book is yoga instruction for beginners so Milesescu includes illustrated and highly detailed instructions on 15 different beginning yoga positions There isn't any hype fluff or filler in this useful beginner's guide just highly readable educational content and yoga instructions that will safely launch novice yoga students on the right path Why risk injury or end up leaving your first yoga class regretting your choice of yoga attire Reading Yoga for Beginners before attempting to master the Warrior Tree Pose and other yoga poses is the prudent way to prevent injury and make the best use of your very first yoga session Namaste
