

# Majorities, Minorities and Multiculturalism

[discoversociety](#) December 04, 2018

## **Tariq Modood**

It may surprise some that multiculturalism is supportive of the idea that liberal democratic states may promote a national culture (within liberal limits and respecting other group identities) and doing so can benefit the society or polity as a whole. The multiculturalist point of departure from liberal or other universalisms is the argument that the liberal state is not culturally neutral – all EU states support a certain language(s), a religious calendar in respect of national holidays, the teaching of religion(s) in schools and/or the funding of faith schools, certain arts, sports and leisure activities and so on.

If so, that means that the majority culture already has recognition of some sort – that is what is meant by saying the liberal state is not neutral. Multiculturalism is about extending this valued condition to minorities. Appeals to majority cultural heritage cannot be described as illegitimate *per se*. Rather, the predominance that the cultural majority enjoys in the shaping of the national culture, symbols and institutions should not be

## Majorities And Minorities:

*Majorities, Minorities, and the Future of Nationhood* Liav Orgad, Ruud Koopmans, 2022-11-24 A thought provoking dialogue on majority and minority rights among world leading scholars

**Majority-minority Relations** John E. Farley, 1988 This book is designed to develop readers understanding of the principles and processes that shape the patterns of relations between racial ethnic and other groups in society A wide variety of information is provided about a number of such groups with an emphasis on the relationships between dominant majority and subordinate minority racial and ethnic groups in the United States and abroad Coverage includes discussions on the latest African American perspectives the Census Bureau s decision to allow people to check more than one race in the 2000 census the influence of the culture of poverty perspective on welfare reform legislation interracial relationships Neil Foley s award winning book *The White Scourge* the debate over Hemstein and Murray s *The Bell Curve* how diversity programs helped an insurance company become more profitable the rising debate over race ethnicity and language race ethnicity in our schools race ethnicity only affirmative action welfare reform wage and labor laws minorities and the growing income gap the war on drugs and more For those interest in majority minority relations or race and ethnic relations

Majority and Minority Norman R. Yetman, 1991 A collection of 27 readings for advanced undergraduate and graduate students based on the assumption that the study of racial and ethnic relations should focus primarily on patterns of differential power and intergroup conflict Many articles demonstrate that racial and ethnic relations cannot be understood apart from a transnational perspective and all explore aspects of race and ethnicity in the US and address broader conceptual issues Most selections are presented in their entirety with introductions No index Annotation copyrighted by Book News Inc Portland OR

**Minority Rights, Majority Rule** Sarah A. Binder, 1997-06-13 Minority Rights Majority Rule seeks to explain a phenomenon evident to most observers of the US Congress In the House of Representatives majority parties rule and minorities are seldom able to influence national policy making In the Senate minorities quite often call the shots empowered by the filibuster to frustrate the majority Why did the two chambers develop such distinctive legislative styles Conventional wisdom suggests that differences in the size and workload of the House and Senate led the two chambers to develop very different rules of procedure Sarah Binder offers an alternative partisan theory to explain the creation and suppression of minority rights showing that contests between partisan coalitions have throughout congressional history altered the distribution of procedural rights Most importantly new majorities inherit procedural choices made in the past This institutional dynamic has fuelled the power of partisan majorities in the House but stopped them in their tracks in the Senate

*Majority Rule Versus Consensus* James H. Read, 2009 This text sheds light on the promise and limitations of democracy showing that despite the failure of Calhoun s remedy his diagnosis of the potential injustice of majority rule must be taken seriously

**Groups and Group Rights** Christine T. Sistare, Larry May, Leslie Francis, 2001 In matters such as affirmative action or home schooling rights of ethnic and other

minority groups often come into conflict with those of society in a culturally diverse population such as ours But before considering the dilemmas posed by these issues we must first ask such basic but important questions as what group rights are and how they intersect with the principles of democracy This new collection brings together some of today s leading thinkers from the cutting edge of these debates taking in a broad range of issues confronting philosophers sociologists and political scientists Contributors such as Carl Wellman Carol Gould and Rex Martin examine the nature of groups and the conflict between group rights and democracy and also consider case studies depicting current issues in cultural ethnic and religious rights The first section on the nature of groups examines some of the perplexing alternatives in the formulation of a theory of group rights These articles investigate the kinds of rights minorities might claim and ask when groups can be held responsible for the acts of some of their members The second section addresses the treatment of groups in a democracy and the precarious balance between indifference toward minorities and capitulation to their demands Here the contributors examine five principles for the sensitive treatment of minority and disadvantaged groups in a democratic society A final section explores specific conflicts between subgroup and societal claims through case studies dealing with affirmative action religious practice and the education of children and the land rights of indigenous peoples By drawing on the legal and political dilemmas related to these cases the authors confront issues of core versus peripheral interests of individual member versus subgroup rights and of the possibilities for social openness raised in the preceding sections Written from varied perspectives *Groups and Group Rights* offers stimulating reading for both students and professionals as it takes on some of the most pressing dilemmas confronting our society

*Political Reform by the Representation of Minorities* Matthias Nace Forney,1894     *Political Reform by the Representation of Minorities* Forney,1894     *The Parliamentary Debates* Great Britain. Parliament,1893     *Minority or Proportional Representation. It's nature ... history ... and practical operation* Salem Dutcher,1872     *Ethnic Minorities and Evangelical Christian Colleges* John D. Lee,Alvaro L. Nieves, Henry Lee Allen,1991

How well do Coalition colleges serve ethnic minorities This new book is designed to help Christian colleges look seriously and realistically at this important question with an eye toward action and change With the combined experience of 125 years at Coalition member institutions twelve scholars from a variety of disciplines thoughtfully address the issues of ethnic minority students and faculty at Christian colleges This 350 page collection of 10 essays includes an outline of a theology of culture and cultural diversity a review of demographic trends and analysis of the experience of ethnic minority faculty and students and a variety of practical suggestions for teaching with and for multicultural sensitivity Co published with the Christian College Coalition     *Congressional Record* ,1893     **Hansard's Parliamentary Debates** Great Britain. Parliament,1882

**Cobbett's Parliamentary Debates** Great Britain. Parliament,1878     *Parliamentary Debates* ,1878     *Speeches of the Right Hon. Joseph Chamberlain, M. P.* Joseph Chamberlain,1885     *The Life of the Right Honourable Joseph Chamberlain.* With an Extensive Series of Portraits, Cartoons and Other Illustrations Louis Creswicke,1904     *The Election of*

Representatives, Parliamentary and Municipal Thomas Hare,1873      *The Election of Representatives, Parliamentary and Municipal. A Treatise* Thomas Hare (Barrister-at-Law.),1873      **The Parliamentary Debates (official Report).** Great Britain. Parliament. House of Commons,1910
