I completely understand the difficulties children face when it comes to making friends. As a mother myself, I've seen my eldest daughter come home feeling discouraged and drained because she couldn't find anyone to keep her company during the long school day. She kept telling me that no one wanted to be her friend. Naturally, as a mother, I was worried. I didn't want my child to feel isolated and dejected. I wanted to brighten up her life, therefore I looked into the problem and offered real-time advice, and it works.
