## **Making New Disciples:**

**The Priority of Making Disciples** Danny Clymer, 2020-08-18 Those in the church and ministry are familiar with the Great Commission the call to go forth and make disciples. However for many it isn't that easy in a world increasingly influenced by doubters and distractions. Many Christian leaders may talk about it but few really do it. Making disciples isn't a complicated program but a simple plan that comes only from Jesus. Now a diverse group of pastors representing urban and rural communities secular and Christian areas as well as diverse multicultural backgrounds and all known for successfully making new disciples have gathered these sermons to encourage others to be disciple makers too. Discover How Jesus practiced the Great Commission before He ever preached it. Why discipleship begins with a whole life understanding of worship. When disciple making gets confused with church growth efforts These and countless other insights will help guide you in a faithful deliberate effort to fulfill the Great Commission no matter where you live or what communities in which you minister. Included in the book are The sermon texts and their outline formats 12 study guides one for each sermon that can be used in small group or one on one settings in the week following the preaching of the sermon. A final appendix providing a self evaluation tool that helps each person being discipled to evaluate the progress they are making in their walk with Christ.

**Making Disciples in the Twenty-First Century Church** Joel Comiskey, 2013-12-02 We know that the goal of the Christian life is to glorify God and to enjoy him forever. While this is God's ultimate plan does he have a particular purpose for the cell based church I've been wrestling with this question for the past twenty two years. This question confronts me every time I coach a pastor or pastors. In preparation for coaching I ask myself What is my principal objective in helping this pastor. Where am I guiding this church. What am I trying to do I've come to the conclusion that the primary goal of cell ministry is to make disciples who make disciples. Christ's last command to his disciples was for them to repeat the process and to reproduce new disciples. But how were they supposed to do that. This book answers these questions. The early church followed Christ's pattern by making disciples through the house churches that periodically celebrated together in public worship. In 2 Timothy 2:1-2 Paul tells Timothy to continue the discipleship process by passing on the pure gospel message to faithful men and women. Even though the term disciple is later replaced by words such as brothers sisters Christians and saints the concept remains the same. We in North America and the Western world often project our own cultural bias into Christ's great commission Matthew 28:18-20. Most discipleship books in fact assume that discipleship is an individualistic endeavor between me and God. And yes there is an important individual aspect e.g. personal devotions etc. Yet in Matthew 28 Jesus was talking to a group of disciples. He wanted them to follow his example by making disciples in a group. Jesus molded twelve disciples in a group and then sent them house to house. So how does the cell church make disciples. In this book I show how the cell small group works together with the cell system to make disciples who make disciples. In the cell a potential disciple is transformed through community priesthood of all believers group evangelism and team multiplication. In the cell potential

disciples are formed through learning how to love one another exercising their gifts evangelizing together as a group and then sent forth as teams to start new groups Discipleship is a group process in the New Testament and God is calling his church to re emphasize this truth The cell system ensures each leader has a coach and that training equipping track happens Then the cells gather together to worship and grow through the teaching of God s Word All three aspects are essential to form disciples Training is needed because disciples won t learn all they need to know in the cell Coaching ensures that each leader is cared for and receives shepherding The celebration service brings the cells together to hear God s Word worship and receive fresh vision The goal of the two wing cell church is to make disciples who make disciples The cell church today makes disciples by following the early church pattern of cell and celebration Recommendations I ve read all of Joel Comiskey s books but Making Disciples in the Twenty First Century Church is his best work yet In this book Joel reminds us that the real call and challenge of the Church is not developing leaders or numerical growth but making disciples who make disciples He also helps us understand why that is best done in a cell or small group context and gives us great insight about how to make that happen I m looking forward to having all of our Pastors Coaches and Cell Leaders and Members read this book in the near future Dennis Watson Lead Pastor Celebration Church of New Orleans — I am so excited about Joel Comiskey s new book Making Disciples in the Twenty First Century Church When I m asked what makes a cell church thrive I always say discipleship Thank you Joel for unpacking discipleship not just as an endeavor for individuals but as the critical element for creating a church community and culture that reproduces the Kingdom of God all over the earth I pray this book won t only be read but lived out as we were made to make disciples Jimmy Seibert Senior Pastor Antioch Community Church President and Founder Antioch Ministries International — I really like that Joel asked the Why question before the How question He even takes on the What question which is just as important The interest in discipleship is greater now than anytime in the last fifty years I fear however that we are using the same words but are not speaking the same language I recommend this work I cheer Joel on he joins many of us who are masters of the obvious It seems so obvious that our purpose is to be disciples and make disciples I cheer him on because he goes beyond the What and Why and does address the How This will help any person who reads it and I pray that there will be many Bill Hull Author of Jesus Christ Disciple Maker Disciple Making Pastor Disciple Making Church and The Complete Book of Discipleship Adjunct Faculty at Talbot School of Theology Biola University — The history of the cell church movement in Brazil has many names of great man of God Joel Comiskey certainly is one of them We see how over the years his understanding of the New Testament Church has deepened Again Joel surprises us with this jewel He covers many aspects of cell church life showing us how discipleship relates to the broader scope of it and how to shape followers of Jesus He takes us to the heart of the matter of the cell church as he states it The purpose of cell ministry is making disciples who make disciples Excellent book The movement in Brazil certainly will be blessed through this book Enjoy it Robert Michael Lay Cell Church Ministry in Brazil Pioneer in the cell movement in Brazil

and publisher of Joel's books. In his tremendously helpful new book *Making Disciples in the Twenty First Century Church* Joel Comiskey cuts directly to the core purpose of cell ministry which is making disciples. Then he tells us how to do it through the Cell Based Church. Like Joel's other books *Making Disciples in the Twenty First Century Church* is solidly biblical, highly practical, wonderfully accessible, and is grounded in Joel's vast research and experience. Great job, Joel!

Dave Earley, Lead Pastor, Grace City Church of Las Vegas, Nevada, Author, *Eight Habits of Highly Effective Small Group Leaders*, Adjunct Professor, Liberty Baptist Theological Seminary. For more than twenty years, Joel Comiskey has served the cell church movement. He has helped scores of congregations move from being traditional churches to communities where edification and harvest occurs. Twenty years. Now he combines two decades of observation as his capacity as a researcher. He has scoured many books to assemble wise counsel for us. His discussion of how community varies from culture to culture is indeed penetrating. As I read through the pages, I mentally noted specific Christian workers who need to read these pages. Thanks, Joel, for the way you allow the King to speak through you to enlarge His Kingdom on earth. Ralph Neighbour Jr, key pioneer of the cell church movement. Joel Comiskey continues to deepen our understanding of the cell based church. In *Making Disciples* we are equipped to carry out the Great Commission at maximum capacity. Get ready to have your vision for ministry strengthened and expanded. Andrew S. Mason, Small Groups Pastor, Thrive Church, Elk Grove, CA, Founder, [SmallGroupChurches.com](http://SmallGroupChurches.com). His decades of experience in fields of ministry all over the world confirm that every member ministry and personal investment in disciples are God's pathway to true maturity and expansion of the kingdom of God. This well written book deserves attention from every serious Christian.

Statistics on church growth reveal some startling facts. Overall church attendance in America is declining. The number of those who claim they are done with churches is growing. Those who list none as religious affiliation are increasing. After COVID 19, some are reluctant to return to church services in buildings. What if you had a way to make disciples for Jesus in your neighborhood? Is there a way to reach those who have left the churches or who will not go back to a church building? Yes. *Making Disciples Through Home Assemblies* can show you how. The book is based on the biblical patterns of the first century disciples who were highly effective in disciple making in obedience to Jesus' command to make

disciples and be His witnesses Matthew 28 18 20 and Acts 1 8 Studying Acts and other New Testament verses the authors show that those disciples believed that making disciples and growing the Kingdom of God was the number one priority The authors also show that individuals met in homes in the absence of church buildings and that any believer can become a disciple maker for Jesus Making Disciples Through Home Assemblies contains biblical rationale for home assemblies material that can be used for training yourself and others to lead a home assembly and the biblically based study guide for your home assembly meetings is included The material in this book has been extensively tested for over two years with audiences of diverse ages and many individuals have been successful in creating their own home assemblies and making disciples for Jesus across the United States Now you too can start a home assembly and teach others how to become disciples for Jesus
