Jewish Currents ,2004 **New Jersey History** ,2004 **The Last Three Miles** Steven Hart,2007 The Last Three Miles is an investigative history of a fascinating chapter in the heroic age of public works the building of the nation s first superhighway designed to connect NYC to the rest of the States Construction of the last three miles of Route 25 marked an epic battle between big labour and big politics It culminated in a murder with a sensational trial and the creation of a motorway so flawed it soon became known as Death Avenue Hart is an award winning journalist and the book is an epic narrative non fiction a la Rybcznski or Petrovski **History Today** ,2003 **The Business Branch of the Newark Public Library;** ,1928 **Anti-Nazi Economic Bulletin** ,1936 **Memoir of a Race Traitor** Mab Segrest,2019-09-24 Back in print after more than a decade the singular chronicle of life at the forefront of antiracist activism with a new introduction and

afterword by the author Mab Segrest s book is extraordinary It is a political memoir but its language is poetic and its tone passionate I started it with caution and finished it with awe and pleasure Howard Zinn In 1994 Mab Segrest first explained how she had become a woman haunted by the dead Against a backdrop of nine generations of her family s history Segrest explored her experiences in the 1980s as a white lesbian organizing against a virulent far right movement in North Carolina Memoir of a Race Traitor became a classic text of white antiracist practice bell hooks called it a courageous and daring example of the reality that political solidarity forged in struggle can exist across differences Adrienne Rich wrote that it was a unique document and thoroughly fascinating Juxtaposing childhood memories with contemporary events Segrest described her journey into the heart of her culture finally veering from its trajectory of violence toward hope and renewal Now amid our current national crisis driven by an increasingly apocalyptic white supremacist movement Segrest returns with an updated edition of her classic book With a new introduction and afterword that explore what has transpired with the far right since its publication the book brings us into the age of Trump and to what can and must be done Called a true delight and a must read Minnesota Review Memoir of a Race Traitor is an inspiring and politically potent book With brand new power and relevance in 2019 this is a book that far transcends its genre

Disrupt, Discredit, and Divide Mike German,2019-09-10

Impressively researched and eloquently argued former special agent Mike German s Disrupt Discredit and Divide tells the story of the transformation of the FBI after the 9 11 attacks from a law enforcement agency made famous by prosecuting organized crime and corruption in business and government into arguably the most secretive domestic intelligence agency America has ever seen German shows how FBI leaders exploited the fear of terrorism in the aftermath of 9 11 to shed the legal constraints imposed on them in the 1970s in the wake of Hoover era civil rights abuses Empowered by the Patriot Act and new investigative guidelines the bureau resurrected a discredited theory of terrorist radicalization and adopted a disruption strategy that targeted Muslims foreigners and communities of color and tarred dissidents inside and outside the bureau as security threats dividing American communities against one another By prioritizing its national security missions over its law enforcement mission the FBI undermined public confidence in justice and the rule of law Its failure to include racist anti Semitic Islamophobic and xenophobic violence committed by white nationalists within its counterterrorism mandate only increased the perception that the FBI was protecting the powerful at the expense of the powerless Disrupt Discredit and Divide is an engaging and unsettling contemporary history of the FBI and a bold call for reform told by a longtime counterterrorism undercover agent who has become a widely admired whistleblower and a critic for civil liberties and accountable government
